Bear Grylls Priorities Of Survival

Finding something to drink is the top priority to survive longer. You may have to rely on strange sources of water, which most of the time is limited and disgusting. Bear Grylls has been famous for drinking his own urine, fluids from a plant, or even from a dead snake. But remember, only relatively clear urine will hydrate you.

Ok, first things first: relax. Take a deep breath, keep a clear head and get your priorities right. Think before you act. The phrase I use to remind myself is: Please Remember What's First: PROTECTION, RESCUE, WATER and FOOD. These are the absolute basics you need to survive. And survival needs to become your number one goal.
