Descendants : The Isle of the Lost

A Descendants Novel

Twenty years ago, all the evil villains were banished from the kingdom of Auradon and made to live in virtual imprisonment on the Isle of the Lost. The island is surrounded by a magical force field that keeps the villains and their descendants safely locked up and away from the mainland. Life on the island is dark and dreary. It is a dirty, decrepit place that's been left to rot and

forgotten by the world. But hidden in the mysterious Forbidden Fortress is a dragon's eye: the key to true darkness and the villains' only hope of escape. Only the cleverest, evilest, nastiest little villain can find it ... who will it be? Maleficent, Mistress of the Dark: As the self-proclaimed ruler of the isle, Maleficent has no tolerance for anything less than pure evil. She has little time for her subjects, who have still not mastered life without magic. Her only concern is getting off the Isle of the Lost. Mal: At sixteen, Maleficent's daughter is the most talented student at Dragon Hall, best known for her evil schemes. And when she hears about the dragon's eye, Mal thinks this could be her chance to prove herself as the cruelest of them all. Evie: Having been castle-schooled for

years, Evil Queen's daughter, Evie, doesn't know the ins and outs of Dragon Hall. But she's a quick study, especially after she falls for one too many of Mal's little tricks. Jay: As the son of Jafar, Jay is a boy of many talents: stealing and lying to name a few. Jay and Mal have been frenemies forever and he's not about to miss out on the hunt for the dragon's eye. Past Imperfect

French Intellectuals, 1944-1956 *Univ of California Press*

The uniquely prominent role of French

intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of

fashionable "Existentialist" personalities such as Jean-Paul Sartre, Albert Camus, and Simone de Beauvoir to include a wide intellectual community of Catholic philosophers, non-aligned journalists, literary critics and poets, Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.

The True Blue Scouts of Sugar Man Swamp *Simon and Schuster*

“Librarians often say that every book is not for every child, but *The True Blue Scouts of Sugar Man Swamp* is” (The New York Times). Meet Bingo and J’miah, raccoon brothers on a mission to save Sugar Man Swamp in this rollicking tale and National Book Award Finalist from Newbery Honoree Kathi Appelt. Raccoon brothers Bingo and J’miah are the newest recruits of the Official Sugar Man Swamp Scouts. The opportunity to serve the Sugar Man—the massive creature

who delights in delicious sugar cane and magnanimously rules over the swamp—is an honor, and also a big responsibility, since the rest of the swamp critters rely heavily on the intel of these hardworking Scouts. Twelve-year-old Chap Brayburn is not a member of any such organization. But he loves the swamp something fierce, and he’ll do anything to help protect it. And help is surely needed, because world-class alligator wrestler Jaeger Stitch wants to turn Sugar Man swamp into an Alligator World Wrestling Arena and Theme Park, and the troubles don’t end there. There is also a gang of wild feral hogs on the march, headed straight toward them all. The Scouts are ready. All they have to do is wake up the Sugar Man. Problem is, no one’s been able to wake that fellow up in

a decade or four... Newbery Honoree and Kathi Appelt's story of care and conservation has received five starred reviews, was selected as a National Book Award finalist, and is funny as all get out and ripe for reading aloud.
