Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Recitatif

A Story Knopf

A beautiful, arresting story about race and the relationships that shape us through life by the legendary Nobel Prize winner—for the first time in a beautifully produced stand-alone edition, with an introduction by Zadie Smith “A puzzle of a story, then—a

game.... When [Morrison] called Recitatif an 'experiment' she meant it. The subject of the experiment is the reader." —Zadie Smith, award-winning, best-selling author of *White Teeth* In this 1983 short story--the only short story Morrison ever wrote--we meet Twyla and Roberta, who have known each other since they were eight years old and spent four months together as roommates in St. Bonaventure shelter. Inseparable then, they lose touch as they grow older, only later to find each other again at a diner, a grocery store, and again at a protest. Seemingly at opposite ends of every problem, and at each other's throats each time they meet, the two women still cannot deny the deep bond their shared experience has forged between them. Another work of genius by this masterly writer, Recitatif keeps Twyla's and Roberta's races ambiguous throughout the story. Morrison herself described Recitatif, a story which will keep readers thinking and discussing for years to come, as "an experiment in the removal of all racial codes from a narrative about two characters of different races for whom racial identity is crucial." We know that one is white and one is Black, but which is which? And who is right about the race of the woman the girls tormented at the orphanage? A remarkable look into what keeps us together

and what keeps us apart, and how perceptions are made tangible by reality, *Recitatif* is a gift to readers in these changing times.

The Stranger's Child
Vintage

From the Man Booker Prize-winning author of *The Line of Beauty*: a magnificent, century-spanning saga about a love triangle that spawns a myth, and a family mystery, across generations. In the late summer of 1913, George Sawle brings his Cambridge schoolmate—a handsome, aristocratic young poet named Cecil Valance—to his family's modest home outside London for the weekend. George is enthralled by Cecil, and soon his sixteen-year-old sister, Daphne, is equally besotted by him and the stories he tells

about Corley Court, the country estate he is heir to. But what Cecil writes in Daphne's autograph album will change their and their families' lives forever: a poem that, after Cecil is killed in the Great War and his reputation burnished, will become a touchstone for a generation, a work recited by every schoolchild in England. Over time, a tragic love story is spun, even as other secrets lie buried—until, decades later, an ambitious biographer threatens to unearth them. Rich with Hollinghurst's signature gifts—haunting sensuality, delicious wit and exquisite lyricism—*The Stranger's Child* is a tour de force: a masterly novel about the lingering power of

desire, how the heart creates its own history, and how legends are made. This eBook edition includes a Reading Group Guide.

Sun Stand Still

What Happens When You Dare to Ask God for the Impossible

Multnomah

If you're not daring to believe God for the impossible, you may be sleeping through some of the best parts of your Christian Life. "This book is not a Snuggie. The words on these pages will not go down like Ambien. I'm not writing to calm or coddle you. With God's help, I intend to incite a riot in your mind. Trip your breakers and turn out the lights in your favorite hiding places of insecurity and fear. Then flip the switch

back on so that God's truth can illuminate the divine destiny that may have been lying dormant inside you for years. In short, I'm out to activate your audacious faith. To inspire you to ask God for the impossible. And in the process, to reconnect you with your God-sized purpose and potential." —Steven Furtick, from *Sun Stand Still*

Auden, The Psalms, and Me *Church Publishing, Inc.*

• A "first person narrative," key to the work and prayer of the current Book of Common Prayer • Appeal to those interested in literature or in the history of the BCP In the nearly 40 years since the advent of the 1979 Book of Common Prayer, the

retranslation of the Psalter created for that book has become a standard, used not only by Episcopalians, but adopted by others into their own worship service books and liturgies. Now J. Chester Johnson, one of the two surviving members of the Committee that produced the retranslation, has agreed for the first time to call to tell the story of this Psalter and the little-known but vital part played in it by acclaimed poet W. H. Auden, whom Johnson replaced on the committee when Auden decided to return to live in England. Despite Auden's ambivalence about changes in the Episcopal Book of Common Prayer, he wrote associated

articles and poems, authored many letters—some of special liturgical and spiritual significance—and attended Psalter drafting committee meetings. Auden, *The Psalms*, and *Me* not only illuminates this untold part of the Episcopal Psalter story but also describes the key elements that drove the creation of this special retranslation.

The Shepherd of the Hills

The Shepherd of the Hills is the classic story of the stranger who takes the Old Trail deep into the Ozark Mountains, many miles from civilization. His appearance signals intellect and culture, yet his countenance is marked by grief and disappointment. What is his purpose in taking on the lowly work of tending local sheep? And how is it that he befriends these simple hill folk, despite his coming from the world beyond the ridges? Mystery and romance envelop this gentle yet compelling story as the identity and purpose of the stranger-turned-shepherd is gradually

unveiled.

to Experience Sustained Health

Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the

With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what
