Constitutional theory is an area of constitutional law that focuses on the underpinnings of constitutional government. It overlaps with legal theory, constitutionalism, philosophy of law and democratic theory. It is not limited by country or jurisdiction.

Constitutional theory - Wikipedia

Our LLM Constitutional Politics, Law and Theory reflects on the traditional neglect of constitutionalist approaches to politics in Britain - something which is now changing fast. As the utopia of the ‘end of history’ falters, the rhetoric of security and risk, of crisis in the relation between financial markets and sovereign states, of perpetual war, and of corruption in politics brings about a relentless desire for law and constitutional reform.

Constitutional Politics, Law and Theory (LLM): January ...

Modern constitutional law is the offspring of nationalism as well as of the idea that the state must

protect certain fundamental rights of the individual. As the number of states has multiplied, so have constitutions and with them the body of constitutional law, though sometimes such law originates from sources outside the state. The protection of individual rights, meanwhile, has become the concern of supranational institutions, particularly since the mid-20th century.
