Getting to grips with weight and balance

During a presentation on ULD at the 2016 IATA Ground Handling Conference the audience was asked to indicate whether they were aware of the existence of a document known as the Weight and Balance Manual (WBM). About 10% of the audience raised their hands, this number fell by half when they were asked if they had actually had the opportunity to read a WBM and fell further again to just a handful when asked if they had actually studied the references to ULD contained in the WBM.
