Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn’t know what to do. The notes tell her that she must write a letter—a true story, and that she can’t share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. The Hole in Our Holiness

Filling the Gap between Gospel Passion and the Pursuit of Godliness *Crossway*

The hole in our holiness is that we don't care much about holiness. Or, at the very least, we don't

understand it. And we all have our reasons too: Maybe the pursuit of holiness seems legalistic. Maybe it feels like one more thing to worry about in your already overwhelming life. Maybe the emphasis on effort in the Christian life appears unspiritual. Or maybe you've been trying really hard to be holy and it's just not working! Whatever the case, the problem is clear: too few Christians look like Christ and too many don’t seem all that concerned about it. This is a book for those of us who are ready to take holiness seriously, ready to be more like Jesus, ready to live in light of the grace that produces godliness. This is a book about God's power to help us grow in personal holiness and to enjoy the process of transformation.

Mouth to Mouth

A Novel *Simon and Schuster*

A successful art dealer confesses the story of his meteoric rise in this “sleek, swift, and graceful” novel “with unexpectedly sharp teeth” (Lauren Groff, New York Times bestselling author). In a first-class lounge at JFK airport, our narrator listens as Jeff Cook, a former classmate he only vaguely remembers, shares the uncanny story of his adult life—a life that changed course years before, the moment he resuscitated a drowning man. Jeff reveals that after that traumatic, galvanizing morning on the beach, he was compelled to learn more about the man whose life he had saved, convinced that their fates were now entwined. But are we agents of our fate—or are we its pawns? Upon discovering that the man is renowned art dealer Francis Arsenault, Jeff begins to surreptitiously visit his Beverly Hills gallery. Although Francis does not seem to recognize him as the man who saved his life, he nevertheless casts his legendary eye on Jeff and sees something worthy. He takes the younger man under his wing, initiating him into his world, where knowledge, taste, and access are currency; a world where value is constantly shifting and calling into question what is real, and what matters. The paths of the two men come together and diverge in dizzying ways until the novel's staggering ending. Sly, suspenseful, and engrossing, Mouth to Mouth masterfully blurs the line between opportunity and exploitation, self-respect and self-delusion, fact and fiction—exposing the myriad ways we deceive each other, and ourselves.
