This is Happening is a great resource to either complement an existing traditional mindfulness practice (like in my case, where I've been practicing meditation - mostly Zen - for a few years) or to start practicing mindfulness from scratch in an easy, approachable way that doesn't rely on the ancient rituals of traditional practice (usually seated meditation).

This is Happening: Redesigning mindfulness for our very

...

8 Facts About Mindfulness: Mindfulness is not obscure or exotic. It's familiar to us because it's what we already do, how we already are. It takes many shapes and goes by many names. Mindfulness is not a special added thing we do. We already have the capacity to be present, and it doesn't require us to change who we are.
