Ties That Bind, Ties That Break *Laurel Leaf*

Third Sister in the Tao family, Ailin has watched her two older sisters go through the painful process of having their feet bound. In China in 1911, all the women of good families follow this ancient tradition. But Ailin loves to run away from her governess and play games with her male cousins. Knowing she will never run again once her feet are bound, Ailin rebels and refuses to follow this torturous tradition. As a result, however, the family of her intended husband breaks their marriage agreement. And as she enters adolescence, Ailin finds that her family is no longer willing to support her. Chinese society leaves few options for a single woman of good family, but with a bold conviction and an indomitable spirit, Ailin is determined to forge her own destiny. Her story is a tribute to all those women whose courage created new options for the generations who came after them.

Ties That Bind, Ties That Break *Laurel Leaf*

Ailin's life takes a different turn when she defies the traditions of upper class Chinese society by refusing to have her feet bound.

Ties That Bind

Stories of Love and Gratitude from the First Ten Years of StoryCorps *Penguin*

"As good as we humans are at division, we're better still at connection. Ties That Bind shows this again and again." —The New York Times "A testimony to the power of narrative and vision. . . . The collection successfully fulfills its mission: to make readers feel 'more connected, awake, and alive.'" —Publishers Weekly A celebration of the relationships that bring us strength, purpose, and joy Ties That Bind honors the people who nourish and strengthen us. StoryCorps founder Dave Isay draws from ten years of the revolutionary oral history project's rich archives, collecting conversations that celebrate the power of the human bond and capture the moment at which individuals become family. Between blood relations, friends, coworkers, and neighbors, in the most trying circumstances and in the unlikeliest of places, enduring connections are formed and lives are forever changed. The stories shared in Ties That Bind reveal our need to reach out, to support, and to share life's burdens and joys. We meet two brothers, separately cast out by their parents, who reconnect and rebuild a new family around each other. We encounter unexpected joy: A gay woman reveals to her beloved granddaughter that she grew up believing that family was a happiness she would never be able to experience. We witness lifechanging friendship: An Iraq war veteran recalls his wartime bond with two local children and how his relationship with his wife

helped him overcome the trauma of losing them. Against unspeakable odds, at their most desperate moments, the individuals we meet in Ties That Bind find their way to one another, discovering hope and healing. Commemorating ten years of StoryCorps, the conversations collected in Ties That Bind are a testament to the transformational power of listening. Dave Isay's latest book, *Callings*, published in 2016 from Penguin Press.

The Ties That Bind *Penguin*

A hopeless romantic with dreams of being married and settling down with the perfect man, Mia finds herself torn between two very different men—Brice, who wants a woman willing to surrender everything, and Christian, a rogue with a penchant for one-night stands.

Ties that Bind

The Story of an Afro-Cherokee Family in Slavery and Freedom *Univ of California Press*

"In this lyrical narrative about Shoeboots, Doll, and their descendants, Tiya Miles explores the constant push and tug between family connections and racial divides. Building on meticulous and inspired historical detective work, Miles shows what it might have felt like to be a slave and reassesses the convoluted ideas about race that slavery generated and left as a legacy."--Nancy Shoemaker, author of *A Strange Likeness: Becoming Red and White in Eighteenth-Century North America* "Ties That Bind is a haunting and innovative book. Tiya Miles refuses to avoid or cover over the most painful aspects of the

shared stories of Indians and African Americans. Instead, Miles passionately defends the need to explore history, even when the facts provided by history are not those that contemporary people want to hear."--Peggy Pascoe, author of *Relations of Rescue: The Search for Female Moral Authority in the American West, 1874-1939*

Ties that Bind, Ties that Divide

100 Years of Hungarian Experience in the United States

Holmes & Meier Pub

"Beginning with a look at the semifeudal state of mid-nineteenth century Hungarian society, the author provides a historical context within which to place Hungarian emigration. Puskas goes on to explain how the immigrants built diverse communities in this country and became Hungarian-Americans, rather than just Hungarians in America. She also chronicles the role of Hungarian-Americans during the Cold War, focusing on the displaced persons who arrived immediately after World War II, and the freedom fighters a decade later. *Ties That Bind, Ties That Divide* melds a lucid, thorough appraisal of the Hungarian migration with first-hand experiences, interviews, and observations into a vivid picture of the evolution of one of America's many vital ethnic voices."--Jacket.

Ties That Bind

Familial Homophobia and Its Consequences *The New Press*

Although acceptance of difference is on the rise in America, it's

the rare gay or lesbian person who has not been demeaned because of his or her sexual orientation, and this experience usually starts at home, among family members. Whether they are excluded from family love and approval, expected to accept second-class status for life, ignored by mainstream arts and entertainment, or abandoned when intervention would make all the difference, gay people are routinely subjected to forms of psychological and physical abuse unknown to many straight Americans. "Familial homophobia," as prizewinning writer and professor Sarah Schulman calls it, is a phenomenon that until now has not had a name but that is very much a part of life for the LGBT community. In the same way that Susan Brownmiller's *Against Our Will* transformed our understanding of rape by moving the stigma from the victim to the perpetrator, Schulman's *Ties That Bind* calls on us to recognize familial homophobia. She invites us to understand it not as a personal problem but a widespread cultural crisis. She challenges us to take up our responsibilities to intervene without violating families, community, and the state. With devastating examples, Schulman clarifies how abusive treatment of homosexuals at home enables abusive treatment of homosexuals in other relationships as well as in society at large. Ambitious, original, and deeply important, Schulman's book draws on her own experiences, her research, and her activism to probe this complex issue—still very much with us at the start of the twenty-first century—and to articulate a vision for a more accepting world.

Ties That Bind

A Novel *St. Martin's Griffin*

It all started in college, in the turbulent sixties, when Randolph and Jenna became lovers. Randolph knew the moment he saw Jenna Haywood that he had to make her his. But the path to love is not an easy one. His wealthy Grandmother Julia disapproves of the match and unbeknownst to him, his brother's seemingly docile fiancée has a few plans of her own that she would like to set in motion. Betrayal and devastation lurks in unexpected places and tests the bond they believed was unbreakable. As they struggle with love and passion, secrets and lies the question is: Is love enough to help them see each other through the storms that await them ahead?

Family**The Ties that Bind-- and Gag!** *Fawcett*

The well-known humorist takes a witty, compassionate, poignant, and nostalgic look at the small and large triumphs of American family life in the 80s

Ties That Bind *WaterBrook*

"An Old Order Amish young woman and an unsuspecting college student are on a collision course that neither could have foreseen"--

Cutting the Ties that Bind *Sai Towers Publishing***Inventing the Ties That Bind****Imagined Relationships in Moral and Political Life**

University of Chicago Press

From deciding to hold the door for the person behind you, to resolving for whom you will cast your vote, every day we find ourselves charged with making moral decisions. What steers our choices? And how do we weigh competing priorities and moral convictions? In *Inventing the Ties That Bind*, Francesca Polletta shows that we do not solve these dilemmas, whether personal or political, based on self-interest alone. Instead, relationships serve as a kind of moral compass. People consider the nature of their ties to one another to know what their obligations are, and in situations that are unfamiliar, they sometimes figure out the right thing to do by imagining themselves in relationships they do not actually have. Polletta takes up a wide range of cases, from debt settlement agencies to the southern civil rights movement, revealing that our relationships and how we imagine them are at the heart of our moral lives—guiding us as we choose whom to help and how we define what it means to treat someone as our equal. In a time of growing polarization, understanding how we make sense of our ties to one another is more urgent than ever.

Ties that Bind *Kensington Publishing Corporation*

When tragedy threatens to tear her family apart, Margot Matthews discovers that her friendship with the new female pastor and her quilting sisterhood are the only things holding her together as she tries to piece back together her life.

Riverdale: The Ties That Bind *Archie Comic Publications (Trade)*

Archie's first original graphic novel featuring the world of CW's Riverdale! Four interconnected stories trap each of our main characters in a unique high-stakes conflict over the course of a few pressure-cooker hours! Jughead's locked in and left behind with Moose at Stonewall Prep, Veronica is trapped with Cheryl at a nearby suburban shopping mall, Betty and Polly are stalked by a possible madman when a girls' night goes horribly awry and Archie is held hostage by a 'long lost relative' of Fred's who's come to town seeking payback of any and every kind. Will Archie and company even make it to sunrise? If they do, will they ever be the same again?

The Ties That Bind

Introduction Is blood really thicker than water? How far does your religious and cultural history define you as a person? Can a good person do bad things for good reasons and still be a good person? When everything you've thought to be true about yourself turns out to be false, do you burn your bridges and drift along through life, or do you blaze a different path? Some secrets are better left untold. Devastated by the dying revelations of the woman he had believed to be his mother Chan Tai keung felt his privileged world tear apart, he wanted to blow the world apart in retribution. His world was Hong Kong and China. Part of that world was Ben Varley, a jaded and disillusioned expat police officer who had stayed on after Hong Kong had been reunified with China. His world was far from perfect, his life full of human errors in his fight to be true to his own conscience. When despair meets hope, two worlds collide.

Corporate Ties That Bind

An Examination of Corporate Manipulation and Vested Interest in Public Health *Skyhorse*

In the 21st century, corporations have worked their way into government and, as they become increasingly more powerful, arguments about their involvement with public health have become increasingly black and white. With corporations at the center of public health and environmental issues, everything chemical or technological is good, everything natural is bad; scientists who are funded by corporations are right and those who are independent are invariably wrong. There is diminishing common ground between the two opposed sides in these arguments. *Corporate Ties that Bind* is a collection of essays written by influential academic scholars, activists, and epidemiologists from around the world that scrutinize the corporate reasoning, false science and trickery involving those, like in-house epidemiologists, who mediate the scientific message of organizations who attack and censure independent voices. This book addresses how the growth of corporatism is destroying liberal democracy and personal choice. Whether addressing asbestos, radiation, PCBs, or vaccine regulation, the essays here address the dangers of trusting corporations and uncover the lengths to which corporations put profits before health.

Ties that Bind

Race and the politics of friendship in South Africa *NYU*

Press

Intimacies of friendship create vital spaces for practices of power and resistance within the histories of apartheid and colonialism. What does friendship have to do with racial difference, settler colonialism and post-apartheid South Africa? While histories of apartheid and colonialism in South Africa have often focused on the ideologies of segregation and white supremacy, *Ties that Bind* explores how the intimacies of friendship create vital spaces for practices of power and resistance. Combining interviews, history, poetry, visual arts, memoir and academic essay, the collection keeps alive the promise of friendship and its possibilities while investigating how affective relations are essential to the social reproduction of power. From the intimacy of personal relationships to the organising ideology of liberal colonial governance, the contributors explore the intersection of race and friendship from a kaleidoscope of viewpoints and scales. Insisting on a timeline that originates in settler colonialism, *Ties that Bind* uncovers the implication of anti-blackness within nonracialism, and powerfully challenges a simple reading of the Mandela moment and the rainbow nation. In the wake of countrywide student protests calling for decolonisation of the university, and reignited debates around racial inequality, this timely volume insists that the history of South African politics has always already been about friendship. Written in an accessible and engaging style, *Ties that Bind* will interest a wide audience of scholars, students and activists, as well as general readers curious about contemporary South African debates around race and intimacy.

The Ties that Bind

Questioning Family Dynamics and Family Discourse in Hispanic Literature *University Press of America*

The Ties That Bind comprises the first collection of critical essays that explore the family system in Spanish and Latin American culture. This thought-provoking volume addresses the intersection of language, narrative structure, social reality, and family dynamics through examples from a diverse range of literary works, including Cervantes' *Don Quijote*, Reinaldo Arenas' *Celestino antes del alba*, and the Chicano film *My Family/Mi Familia*. Issues of feminism, gender and sexuality, abuse, trauma, and communication take the forefront in this ground-breaking book, which takes psychological literary criticism a step beyond traditional psychoanalytical approaches.

The Ties That Bind

"Everything's bigger in Texas. Even the Secrets." Rufus McKay was not always the bright shining star of the art world. He owes his reputation to the strange happenings in his childhood community, and to the generations past. The images in his paintings are memories--of his loyal friends and his quirky family, and of the harrowing murders that darkened his sunny South Texas youth. Young love, old grudges, and new beginnings abound in Nicholas Bridwell's globetrotting debut novel. Equal parts saga and mystery, *The Ties That Bind* is bursting with a cast of worldly characters and Texas-size drama.

Breaking the Ties That Bind *Kensington Publishing Corp.*

One young woman is about to learn what tough love is all about. . . . Thirty-three-year-old Kendra Richards just can't escape her reckless mother's endless requests for money that will never be repaid. Again and again, Kendra rescues Ginny despite the advice of her own father—a man who left Ginny and her cheating ways long ago. Kendra knows her mother is troubled—what she doesn't understand is why she can't tell her no—until she happens to meet psychologist Sam Hughes. . . . Smart and sexy, Sam offers Kendra the answers—and the love and romance—she's been looking for. She's finally happy—until Ginny turns up for another handout. But this time the situation is desperate, and the stakes are higher than ever. Now, Kendra must finally decide if she's willing to lose everything for a woman who has nothing to give. . . . Praise for the Novels of Gwynne Forster "Wise and wonderful as it points out, once again, the importance of honesty and appreciating what you have while you have it."—Publishers Weekly on *A Different Kind of Blues* "Touching, thought-provoking, and will make you think twice about ever keeping secrets from the one you love." —Kimberla Lawson Roby, New York Times bestselling author on *If You Walked in My Shoes*

The Ties That Bind Us

The Ties That Bind *Blushing Books*

BLURB: Finding balance in an ever-changing world. In the conclusion to the Choices series, Elizabeth and Damon finally marry but face many challenges in both their professional and personal lives as they try to find a balance. Their son, Rene, is growing up quickly and being groomed to follow in his father's

footsteps, a fact Elizabeth has to resign herself to. Their friends are all facing challenges of their own, but through it all, the group remains close and all achieve their happy endings. Publisher's Note: This sometimes funny, sometimes sad story contains adventure, romance and a theme of power exchange.

The Ties That Bind Us

(the Ties Duet Part One)

Cameron: I had one plan. And this wasn't it. All I wanted to do was break free of the psychological chain my father wrapped around my soul. Find my independence. Until I saw him behind that counter. Tall, handsome, sarcastic. A bit odd. I wasn't supposed to feel this way for him. I wasn't supposed to feel this way for any man. And I can't start now. No matter how drawn to him I am. Jaxon: Different day, same routine. Until her. Until she walked into my store and nearly brought me to my knees. Her eyes were just as haunted as my past. But then she was gone. Now I want to take every broken piece of her and claim it, cherish it. Somehow I know she won't make it easy. But I don't give up easy, either. This book is intended for readers 18+ due to its language, strong sexual content, and dark elements.

The Ties That Bind

When diet and exercise are not enough... Do you ever eat something yummy in a hurry and then forget how good it tasted? Do you feel hungry shortly thereafter, as if you had not eaten? If you ever reach for something quick and "comforting," and yet don't feel full or satisfied, perhaps what you really want is to be

nourished. And nourishment goes way beyond food. One of life's most comforting foods is soup, and you hold in your hands a very special recipe. This particular formula of Vitamin Soup, with all of life's "vitamins," from "Attitude" to "Zest for Life," is an A-Z list of supplements that has everything to do with how you nourish yourself—physically, mentally, emotionally, and spiritually—and little to do with food. Indulging in these vitamins is easy, and there is something for everyone: a recipe for balanced, healthy living; simple instructions for reducing stress; proven techniques for increasing energy; and even, as a potential side benefit, methods for releasing weight. Sally Galloway, a natural health coach for almost thirty years, has cooked up a whimsical and clever collection of ideas and "recipes" for you to spend time with family and friends (Vitamin F), improve your love life and finances (Vitamins K and M), and live with more vibrancy (Vitamin V). These recipes for success will take you out of the kitchen and open your eyes to the people, places, and experiences where you can find true nourishment for your mind, body, and soul.

The Ties That Bind

Siblings, Family, and Society in Early Modern England *Oxford University Press*

The family is a major area of scholarly research and public debate. Many studies have explored the English family in the sixteenth and seventeenth centuries, focusing on husbands and wives, parents and children. The Ties that Bind explores in depth the other key dimension: the place of brothers and sisters in family life, and in society. Moralists urged mutual love and

support between siblings, but recognized that sibling rivalry was a common and potent force. The widespread practice of primogeniture made England distinctive. The eldest son inherited most of the estate and with it, a moral obligation to advance the welfare of his brothers and sisters. The Ties that Bind explores how this operated in practice, and shows how the resentment of younger brothers and sisters made sibling relationships a heated issue in this period, in family life, in print, and also on the stage.

The Tangled Ties That Bind (Hearts Entwined Collection)

A Kincaid Brides Novella *Baker Books*

While running from an angry buffalo, two friends, who always wanted more, reunite. Connor has returned home determined to pursue the woman he never stopped caring about. But Maggie wants to be a city doctor, and he is a rancher through and through. Will either be willing to give up their dream? Or will they both have to give up the love of a lifetime?

Ties That Bind Us

Ties That Bind

A gripping crime thriller full of heart-pounding twists

Hibbert & Stiles Publishing Inc.

Hélène Joy (Durham County, Murdoch Mysteries) to star as Detective Madison Knight in the series adaptation currently being developed by Muse Entertainment and Pop Fiction. Grab a badge and a gun and strap in for an absolutely gripping ride that's "full of suspense from the beginning to the end..." (Readers Abode) She could feel him watching her... Though every time she turned to look, there was no one there. The rest of the world thought she was going crazy—until it was too late. When Laura Saunders is found strangled in her home with a man's necktie, Detective Madison Knight is assigned the case. Her sergeant at the Stiles Police Department wants her to conclude it

was an isolated incident and move on with the investigation, but Madison's not the type to cave under pressure. She's haunted by certain unexplainable clues at the crime scene, including the presence of a mysterious photograph. Madison believes the picture may somehow tie into the murder, but before she can dig into it, another woman's body is discovered in a local park. Heather Nguyen was also murdered with the same brand of necktie that had been used on Laura. On the surface, there doesn't seem to be anything beyond the way they were killed that connects the women. But as Madison delves into the lives of the victims, she unravels a web of deceit and betrayal and lays bare decades of deadly family secrets. Edging closer to the truth, Madison's quite sure at least one more woman is slated to die. But can Madison piece together all the clues in time to save her? A gripping crime thriller full of heart-pounding twists. Perfect for fans of Robert Dugoni, J.D. Robb, and Lisa Regan. The Ties That Bind Us *Genz Publishing*

Audrey Cuff, Ed.D's novel is an all too real tale of the struggles and heartbreak faced when loved ones return from war. Follow Ashley Brown as she struggles to establish a healthy relationship with her estranged father. Her father returned from the war in Iraq, but there is something deeply wrong with Ashley's father. She has not seen him since she was five years old, and she fears him more than anything.

Severing the Ties that Bind

Government Repression of Indigenous Religious Ceremonies on the Prairies *Univ. of Manitoba Press*

Religious ceremonies were an inseparable part of Aboriginal traditional life, reinforcing social, economic, and political values. However, missionaries and government officials with ethnocentric attitudes of cultural superiority decreed that Native dances and ceremonies were immoral or un-Christian and an impediment to the integration of the Native population into Canadian society. Beginning in 1885, the Department of Indian Affairs implemented a series of amendments to the Canadian Indian Act, designed to

eliminate traditional forms of religious expression and customs, such as the Sun Dance, the Midewiwin, the Sweat Lodge, and giveaway ceremonies. However, the amendments were only partially effective. Aboriginal resistance to the laws took many forms; community leaders challenged the legitimacy of the terms and the manner in which the regulations were implemented, and they altered their ceremonies, the times and locations, the practices, in an attempt both to avoid detection and to placate the agents who enforced the law. Katherine Pettipas views the amendments as part of official support for the destruction of indigenous cultural systems. She presents a critical analysis of the administrative policies and considers the effects of government suppression of traditional religious activities on the whole spectrum of Aboriginal life, focussing on the experiences of the Plains Cree from the mid-1880s to 1951, when the regulations pertaining to religious practices were removed from the Act. She shows how the destructive effects of the legislation are still felt in Aboriginal communities today, and offers insight into current issues of Aboriginal spirituality, including access to and use of religious objects held in museum repositories, protection of sacred lands and sites, and the right to indigenous religious practices in prison.

The Ties That Bind *Random House Australia*

The Ties That Bind is an emotionally riveting debut novel about the power of a mother's love and the bonds among family that, though severed, can never be fully broken. On opposite sides of the world, two lives are changed forever. One by the smallest bruise. The other by a devastating bushfire. And both by a

shocking secret . . . Miami art curator Courtney Hamilton and her husband David live the perfect life until their ten-year-old son Matthew is diagnosed with leukaemia. He needs a bone-marrow transplant but, with Courtney being adopted, the chances of finding a match within his family are slim. Desperate to find a donor, Courtney tracks the scattered details of her birth 15,000 kilometres away, to the remote town of Somerset in the Victorian bush. Meanwhile Jade Taylor wakes up in hospital in Somerset having survived the deadly bushfire that destroyed the family home and their beloved olive groves. Gone too are the landmarks that remind her of her mother, Asha, a woman whose repeated absences scarred her childhood. As Jade rallies her fractured family to rebuild their lives, Courtney arrives in the burnt countryside to search for her lost parents - but discovers far more . . .

The Heresy Within *Rob J. Hayes*

When there are no heroes left, it's up to the villains to save the world. Even the best swordsman is one bad day away from a corpse. It's a lesson Blademaster Jezzet Vel'urn isn't keen to learn. Chased into the Wilds by a vengeful warlord, Jezzet makes it to the free city of Chade. But instead of sanctuary all she finds are more enemies from her past. Arbiter Thanquil Darkheart is a witch hunter for the Inquisition, on a holy crusade to rid the world of heresy. He's also something else: expendable. When the God Emperor gives Thanquil an impossible task, he knows he has no choice but to venture deep into the Wilds to hunt down a fallen Arbiter. The Black Thorn is a cheat, a thief, a murderer and worse. He's best known for the killing of several Arbiters and

every town in the Wilds has a WANTED poster with his name on it. Thorn knows it's often best to lie low and let the dust settle, but some jobs pay too well to pass up. As their fates converge, Jezzet, Thanquil, and the Black Thorn will need to forge an uneasy alliance in order to face their common enemy. Pick up this fantasy spaghetti western today!

The Ties that Bind

A friendship that can survive war, tragedy and loss

Headline

THE TIES THAT BIND is a powerful, moving saga from bestselling author Lyn Andrews. Not to be missed by readers of Kate Thompson and Donna Douglas. Tessa O'Leary is the only daughter of a family of fatherless boys. When her mother dies she's her brothers' lifeline to survival. So for Tessa the privations of war are just another battle to be fought for a young woman who was born fighting... Elizabeth Harrison is oppressed by her shopkeeper mother's snobbish expectations and it seems that the coming war could offer her an escape from her family's emotional ties - but at what cost?

The Ties That Bind 2

Book Two picks up directly where book one leaves off in 1994. When Ransom Lawson met Willamina "Billy" Stanton on a deserted highway outside of Chatham, New Mexico, neither knew they were meeting their eternal soul mate. But is love enough to permanently bind two people from two vastly different lifestyles? Coming in second to a motorcycle club and the unpredictable

dangers that life presents is more than Ransom thinks Billy can handle. She deserves better and he tells her so. After his heart-wrenching rejection, Billy returns west to resume her "old life" to focus on her studies, where she thrives as a theater major at a local university in Northern California. Ransom's life is too entrenched in the MC headed by his father and current club Prez, Slade Lawson. Though Ransom is the youngest of Slade's twin sons, he's grooming Ransom to one day take over as the leader of the Immortals. But does Ransom want that responsibility especially when the honor is the birthright of his older twin brother Harley, the weak, impressionable son with the darkened soul? Will Ransom and Billy find their way back to one another with all the obstacles they face, or are the pressures to conform to their family expectations end them for good? Will Harley, Pitch, and Digger see the error in their vile ways? Is Slade ready to put his hound dog tendencies behind him? And if so, is it too late for him and Claudia? Or has an unexpected attraction she has to another sealed their marriage's fate? The gangs all back with a couple of newcomers added into the mix. BOOKS MUST BE READ IN ORDER. IF YOU ARE NOT A FAN OF MULTILAYERED STORY ARCS FEATURING MULTIPLE CHARACTERS, THEN THIS MAY NOT BE THE STORY/ SERIES FOR YOU. PLEASE READ THE DISCLAIMERS BELOW. MUST BE 18+ TO READ. IT IS NOT RECOMMENDED FOR THOSE WHO ARE EASILY OFFENDED

Ties That Bind

Maternal Imagery and Discourse in Indian Buddhism *Oxford University Press*

Reiko Ohnuma offers a wide-ranging exploration of maternal imagery and discourse in pre-modern South Asian Buddhism, drawing on textual sources preserved in Pali and Sanskrit. She demonstrates that Buddhism in India had a complex and ambivalent relationship with mothers and motherhood—symbolically, affectively, and institutionally. Symbolically, motherhood was a double-edged sword, sometimes extolled as the most appropriate symbol for buddhahood itself, and sometimes denigrated as the most paradigmatic manifestation possible of attachment and suffering. On an affective level, too, motherhood was viewed with the same ambivalence: in Buddhist literature, warm feelings of love and gratitude for the mother's nurturance and care frequently mingle with submerged feelings of hostility and resentment for the unbreakable obligations thus created, and positive images of self-sacrificing mothers are counterbalanced by horrific depictions of mothers who kill and devour. Institutionally, the formal definition of the Buddhist renunciant as one who has severed all familial ties seems to co-exist uneasily with an abundance of historical evidence demonstrating monks' and nuns' continuing concern for their mothers, as well as other familial entanglements. Ohnuma's study provides critical insight into Buddhist depictions of maternal love and maternal grief, the role played by the Buddha's own mothers, Maya and Mahaprajapati, the use of pregnancy and gestation as metaphors for the attainment of

enlightenment, the use of breastfeeding as a metaphor for the compassionate deeds of buddhas and bodhisattvas, and the relationship between Buddhism and motherhood as it actually existed in day-to-day life.

*Book 6 - the final novel in the Broken Bonds series To protect the woman he loves, Detective Ethan Quinn defied the law he's

defended and upheld his entire career. He turned his back on his honor with only one objective in mind: protect Avery at all cost. Now he's tangled in a web of deceit and corruption, no better than the killer he's hunting. As Quinn navigates a treacherous maze, he senses a rat amid his department. He suspects the perpetrator is hiding in plain sight, using their shield within the law to disguise them. Who is the real Alpha? Having been framed for murders and crimes they didn't commit, a suspect is under investigation by not only the ACPD, but the FBI, and lead medical examiner Avery Johnson feels the pressure from all sides as she guards the secrets within her lab. Quinn went to great lengths to save her, to protect her...and now it's her turn to be the hero for the man she loves. A showdown is looming, the Alpha is ready to strike. No one is safe as the clock ticks down to the final moments that will test every member of the task force, leaving only one side left standing.
