Article Review: Importance of Accountability - 843 Words ...

Discipline starts at the top. The importance of holding people accountable starts with you. It’s the CEO who dictates the culture of accountability, or defaults to the lack of one. Without discipline and accountability, an organization will never perform to its full capabilities. We often associate discipline with doling out punishment.

Where there’s No Accountability, Goals won’t be achieved

Look closely at the definition, and you will note there are two players involved, the one accountable for his/her actions and the one to whom he is accountable. To truly be accountable requires action from the authority holding you to answer for your actions or lack of actions.
