The Selective Service System provides us with a unique opportunity to identify those young men in our Nation who are for reasons of education, or health, or

both-not equipped to play their part in society. So far we have been wasting this opportunity. The youths are examined, rejected and sent home--and no more.

Community Health Services In Rural Areas

Those should be the goals of this Conference on Rural Education. For rural teaching, country teaching, the teaching given in the small schools at the farm crossroads and in the little villages and towns has played a greater part in

American history than any other kind of education. From what I have said, you will see that I am a country boy too.
