I'm just as good as bloody Pierrepont. In his small pub in Oldham, Harry is something of a local celebrity. But what's the second-best hangman in England to do on the day they've abolished hanging? Amongst the cub reporters and sycophantic pub regulars, dying to hear Harry's reaction to the news, a peculiar stranger lurks, with a very different motive for his visit. Don't worry. I may have my quirks but I'm not an animal. Or am I? One for the courts to discuss. Martin McDonagh's *Hangmen* premiered at the Royal Court Theatre, London, in September 2015.

The Cripple of Inishmaan *Vintage*

No one is more excited than Cripple Billy, an unloved boy whose chief occupation has been grazing at cows and yearning for a girl who wants no part of him. For Billy is determined to cross the sea and audition for the Yank. And as news of his audacity ripples through his rumor-starved community, *The Cripple of Inishmaan*

becomes a merciless portrayal of a world so comically cramped and mean-spirited that hope is an affront to its order.

Ireland, Irish America, and Work *Cambridge Scholars Publishing*

This volume offers perspectives on the history of labour in Ireland, as well as on Irish-American labor, particularly since the mass emigration prompted by the famine of the 1840s. It also examines the specific role that the Irish played in the Inland Northwest, as well as the intersections between the concerns of the Irish and Irish-Americans and those of the Spokane and Coeur d'Alene Indians who inhabited the region when European immigrants first arrived. It relies for its theoretical foundations on labour, postcolonial and feminist theory.

But the true source of his stories dwells in his attic upstairs, her existence a dark secret kept from the outside world. Justice in the Plays and Films of Martin McDonagh *Springer Nature*

This book interrogates the various manifestations of rival systems of justice in the plays and films of Martin McDonagh, in analysis informed by the critical writings of Michael J. Sandel, Steven Pinker, Julia Kristeva, and in particular Amartya Sen on violence, justice, equality and the law. In

McDonagh's works, failures to investigate adequately criminal actions are matched by multiple forced confessions and umpteen miscarriages of justice. The author explores McDonagh's creative worlds as ones where distinctions between victim and perpetrator and guilt and innocence are precarious, where the burden of truth seldom reaches the threshold of beyond reasonable doubt and where the punishments and rewards of justice are applied randomly. This project considers the abject nature of justice in McDonagh's writing, with the vast implications of justice being fragile, suspect, piecemeal, deviant, haphazard and random. Tentative forms of justice are tempered and then threatened by provocative, anarchic and abject humour. As the author argues, McDonagh's writing cleverly circulates rival, incompatible and comparative systems of justice in order to substantiate the necessities and virtues of justice.

Changes in Contemporary Ireland

Texts and Contexts *Cambridge Scholars Publishing*

This volume explores the cultural, literary, theatrical, and political changes in Irish society from 1980. The so-called 'Celtic Tiger' brought about cultural and economic rejuvenation in Ireland but this new found confidence and prosperity was destabilised by other events, such as the scandals in the Catholic Church, bringing into question the role of traditional institutions in contemporary

Irish life. The ending of the Troubles and signing of the Good Friday Agreement similarly heralded a new era in terms of positive political change, but recent paramilitary activity threatens to undermine the progress made in the 1990s, as waves of new violence hit the North. Equally, recent economic recession has halted the radical growth seen in the Republic over recent decades. This book therefore problematises the concept of change and progress by juxtaposing these events, and asking what real changes can be traced in modern Ireland. The contributors frequently reflect on the changes and upheavals this period of dramatic economic, political and cultural change has prompted. The volume includes contributions from the fields of politics, cultural studies, sport, history, geography, media and film studies, and theatre and literature. As such it is a decidedly interdisciplinary study, exploring wide-ranging topics and issues relevant to contemporary Irish Studies.

Post Celtic Tiger Ireland

Exploring New Cultural Spaces *Cambridge Scholars Publishing*

This collective volume provides the reader with an exploration of various artistic works which grew out of the post Celtic Tiger era in Ireland. The different cultural fields of interest studied in this book include theatre, photography, poetry, painting, and cinema, as well as commemorative spaces. These different cultural voices enable one to explore Ireland, as a country located at a crossroads, in a kind of in-between space, and to wonder about the various political, economic, historical and social forces present in the country. The contributions interrogate Irish society within its present context, which is deeply impregnated by movement and transition but also strongly connected to time, to past and to memory. This collection of essays also presents the way in which these artistic works intertwine with various approaches, artistic, aesthetic, sociologic, cinematographic, historical, and literary, in order to pinpoint the transformations induced by both the Celtic Tiger and its aftermath. The issues of globalisation, identity, place and creativity are all dealt with. In assessing the aftermath of the post Celtic Tiger period, its impact and influences on today's Irish society, the contributors also allude, incidentally, to its future evolution and trends.

How many of them are worth anything? Who had the greatest slow-burn career in the movies? (Clue: he taught Montgomery Clift how to roll a cigarette.) And which science-fiction film features the most haunting use of slime? Funny, combative, and revealing, *Second Sight* is a celebration of the artform that maintains the strongest hold on the modern imagination.

From Sylvia Plath's poetry to Francis Bacon's paintings, from the Saw franchise to Yoko Ono's performance art, Nelson's nuanced exploration across the artistic landscape ultimately offers a model of how one might balance strong ethical convictions with an equally strong appreciation for work that tests the limits of taste, taboo, and permissibility.

The Beauty Queen of Leenane *A&C Black*

This Student Edition of Martin McDonagh's *The Beauty Queen of Leenane* features expert and helpful annotation, including a scene-by-scene summary, a detailed commentary on the dramatic, social and political context, and on the themes, characters, language and structure of the play, as well a list of suggested reading and questions for further study and a review of performance history. Set in the mountains of Connemara, County Galway, *The Beauty Queen of Leenane* tells the darkly comic tale of Maureen Folan, a plain and lonely spinster in her early forties, and Mag her devilishly manipulative ageing mother whose interference in Maureen's first and potentially last loving relationship sets in motion a train of events that is as gothically funny as it is horrific. Maureen might long for the romance that will spirit her away, but if she goes, who will stir the lumps out of Mag's Complian? *The Beauty Queen of Leenane* was first presented as a Druid Theatre/Royal

Court Theatre co-production in January 1996. An instant classic from its first performance, *The Beauty Queen of Leenane* established Martin McDonagh as the natural successor to Oscar Wilde and Joe Orton. The Oscar and Bafta-winning writer's other films and plays include *In Bruges* and *The Pillowman*.

As a companion to everything from the main stage to the fringes of theatrical fact and folklore, this will prove an irresistible book to all fans of the theatre.

Mapping Global Theatre Histories *Springer*

This textbook provides a global, chronological mapping of significant areas of theatre, sketched from its deepest history in the evolution of our

brain's 'inner theatre' to ancient, medieval, modern, and postmodern developments. It considers prehistoric cave art and built temples, African trance dances, ancient Egyptian and Middle-Eastern ritual dramas, Greek and Roman theatres, Asian dance-dramas and puppetry, medieval European performances, global indigenous rituals, early modern to postmodern Euro-American developments, worldwide postcolonial theatres, and the hyper-theatricality of today's mass and social media. Timelines and numbered paragraphs form an overall outline with distilled details of what students can learn, encouraging further explorations online and in the library. Questions suggest how students might reflect on present parallels, making their own maps of global theatre histories, regarding geo-political theatrics in the media, our performances in everyday life, and the theatres inside our brains.

Irish Women Dramatists

1908-2001 *Syracuse University Press*

Irish women dramatists have long faced an uphill challenge in getting the recognition and audience of their male counterparts. There are more female playwrights now than ever before, but they are often ignored by mainstream theatres. Kearney and Headrick strive to shift the spotlight with *Irish Women Dramatists*. The plays collected in this volume represent a cross-section of the excellent dramatic output of Irish women writing in the twentieth century. In addition to the scripts and biographical introductions, the anthology includes a detailed, critical, annotated essay addressing the development of the Irish theatre throughout this time period, and the place women have artistically carved

out for themselves in a traditionally male-dominated theatre industry and dramatic canon. One of the few collections of plays by Irish women, this volume contextualizes the political and sociological climate in which these playwrights developed. As theatre practitioners—actors and directors—as well as scholars, Kearney and Headrick have devoted years of research to discovering and rediscovering the contributions these women have made—and continue to make—in the Irish and world theatre scenes.

Irish Drama and Theatre Since 1950 *Bloomsbury Publishing*

Drawing on major new archival discoveries and recent research, Patrick Lonergan presents an innovative account of Irish drama and theatre, spanning the past seventy years. Rather than offering a linear narrative, the volume traces key themes to illustrate the relationship between theatre and changes in society. In considering internationalization, the Troubles in Northern Ireland, the Celtic Tiger period, feminism, and the changing status of the Catholic Church in Ireland, Lonergan asserts the power of theatre to act as an agent of change and uncovers the contribution of individual artists, plays and productions in challenging societal norms. *Irish Drama and Theatre since 1950* provides a wide-ranging account of major developments, combined with case studies of the premiere or revival of major plays, the establishment of new companies and the influence of international work and artists, including Tennessee Williams, Chekhov and Brecht. While bringing to the fore some of the untold stories and overlooked playwrights following the declaration of the Irish Republic, Lonergan weaves into

his account the many Irish theatre-makers who have achieved international prominence in the period: Samuel Beckett, Siobhán McKenna and Brendan Behan in the 1950s, continuing with Brian Friel and Tom Murphy, and concluding with the playwrights who emerged in the late 1990s, including Martin McDonagh, Enda Walsh, Conor McPherson, Marie Jones and Marina Carr. The contribution of major Irish companies to world theatre is also examined, including both the Abbey and Gate theatres, as well as Druid, Field Day and Charabanc. Through its engaging analysis of seventy years of Irish theatre, this volume charts the acts of gradual but revolutionary change that are the story of Irish theatre and drama and of its social and cultural contexts.

The New Irish Studies *Cambridge University Press*

The New Irish Studies demonstrates how diverse critical approaches enable a richer understanding of contemporary Irish writing and culture. The past two decades in Ireland and Northern Ireland have seen an astonishing rate of change, one that reflects the common understanding of the contemporary as a moment of acceleration and flux. This collection tracks how Irish writers have represented the peace and reconciliation process in Northern Ireland, the consequences of the Celtic Tiger economic boom in the Republic, the waning influence of Catholicism, the increased authority of diverse voices, and an altered relationship with Europe. The essays acknowledge the distinctiveness of contemporary Irish literature, reflecting a sense that the local can shed light on the global, even as they reach beyond the limited tropes that have long identified Irish literature.

The collection suggests routes forward for Irish Studies, and unsettles presumptions about what constitutes an Irish classic.

Mel Brooks in the Cultural Industries

Survival and Prolonged Adaptation *Edinburgh University Press*

Which strategies has Mel Brooks used to survive, adapt and thrive in the cultural industries? How has he gained his reputation as a multimedia survivor?

Alex Symons takes a unique, artist-focused approach in order to systematically identify the range of Brooks's adaptation strategies across the Hollywood film, Broadway theatre and American television industries. By combining a cultural industries approach together with that of adaptation studies, this book also identifies an important new industrial practice employed by Brooks - defined here as 'prolonged adaptation'. More significantly, Symons also employs this method to explain the so far neglected way that Brooks's adaptations have contributed towards changing production trends, changes in critical attitudes, and towards the ongoing integration of the cultural industries today. An essential read for film students and scholars researching adaptation, this refreshing new approach will also be valued by everyone studying the cultural industries.

Theatre and the Macabre *University of Wales Press*

The 'macabre', as a process and product, has been haunting the theatre - and more broadly, performance - for thousands of years. In its embodied meditations on death and dying, its thematic and aesthetic grotesquerie, and its sensory-rich environments, macabre theatre invites artists and audiences to trace the stranger, darker contours of human existence. In this volume, numerous scholars explore the morbid and gruesome onstage, from freak shows to the French Grand Guignol; from Hell Houses to German Trauerspiel; from immersive theatre to dark tourism, stopping along the way to look at phantoms, severed heads, dark rides, haunted mothers and haunting children, dances of death and dismembered bodies. From Japan to

Australia to England to the United States, the global macabre is framed and juxtaposed to understand how the theatre brings us face to face with the deathly and the horrific.

Contemporary Monologues for Men and Women Late Thirties to Forties

Hal Leonard Corporation

(Applause Acting Series). In this thoughtfully curated collection, actors

preparing for an audition or searching for quality scenes to hone their chops will find a wealth of contemporary material from American and British plays. Almost all of the works are from the year 2000 to the recent 2014 Broadway production of *The Curious Incident of the Dog in the Night-Time*, chosen from the point of view of a professional acting teacher, director, and casting director. Along with covering the basics of how to match the best monologue to the actor and how to approach the rehearsal and performance of a piece, the book provides a synopsis of the plays, character descriptions, and lists of questions specific to each monologue that will direct the actor toward shaping a complex, honest, and thoughtful performance with a strong emotional connection, a clear arc, and playable actions. There is also a brief lesson on appropriate rehearsal behavior and preparation.

Handbook of Research on Aestheticization of Violence, Horror, and Power *IGI Global*

Individuals seek ways to repress the sense of violence within themselves and often resort to medial channels. The hunger of the individual for violence is a trigger for the generation of violent content by media, owners of political power, owners of religious power, etc. However, this content is produced considering the individual's sensitivities. Thus, violence is aestheticized. Aesthetics of violence appear in different fields and in different forms. In order to analyze it, an interdisciplinary perspective is required. The *Handbook of Research on Aestheticization of Violence, Horror, and Power* brings together two different concepts that seem incompatible—*aesthetics* and *violence*—and focuses on the basic

motives of aestheticizing and presenting violence in different fields and genres, as well as the role of audience reception. Seeking to reveal this togetherness with different methods, research, analyses, and findings in different fields that include media, urban design, art, and mythology, the book covers the aestheticization of fear, power, and violence in such mediums as public relations, digital games, and performance art. This comprehensive reference is an ideal source for researchers, academicians, and students working in the fields of media, culture, art, politics, architecture, aesthetics, history, cultural anthropology, and more.

At This Theatre *Rowman & Littlefield*

Theatregoers' favorite history of Broadway is back in an updated and expanded 2010 edition including more than 500 color production photos, vintage archival photos, and Playbill covers from all forty currently operating Broadway theatres. Thirty-eight of the original chapters have been expanded to cover all the shows that have opened in the ten years since the popular 2000 edition, with two new chapters added to include Broadway theatres recently refurbished and returned to life. This unique chronicle is the first work to present a detailed theatre-by-theatre roundup of players and productions that have enchanted audiences at Broadway's great playhouses from 1900 to 2010. The work is an expanded treatment of "At This Theatre," the popular feature in Playbill's Broadway theatre programs. "At This Theatre" offers playgoers instant nostalgia by listing notable hits (and some famed fiascos) that have played through the years in the theatre that they are attending. The book also pays tribute to

the distinguished impresarios who built and managed these houses, and the brilliant architects and interior designers who created them. The original 1984 edition was created by Playbill senior editor Louis Botto. Botto worked with editor Robert Viagas on the 2000

update. With the third edition, Botto has passed the author torch to Viagas, who founded Playbill.com and the acclaimed Playbill Broadway Yearbook series, and who has written the updates in Botto's style.
