The engine OM 615 came out 1968 in the model 200 D of the series W 115 out. The OM 615 in its two-liter version for the 200 D is just a minor development of the predecessor OM 621 from the tail fin models, the difference being essentially a changed oil filter position and a lower, shorter intake manifold due to the flatter front end. The most important innovation was the version of the OM 615 ...
