Dress Law And Naked Truth

Dress, Law and Naked Truth offers an indispensable study of law and its surprisingly profound sartorial imagination. More than simply registering the law's propensity for a rhetoric that likes to flirt with the conceit of 'dress,' Gary Watt shows us the deep philosophic connections between the articulations of cultural order and sartorial discipline.

...

In a finely fluent and eruditely entertaining fashion, Dress, Law and Naked Truth provides a radical revival of the philosophy of clothes for common lawyers. Watt's sartorial jurisprudence draws upon the rich history and homology of costume and custom, livery and law, body art and habeas corpus, to show that the social contract could never be nudum pactum because habit is of the essence of law.

Dress, Law and Naked Truth - Professor Gary Watt - Bok

...

The book is more about Dress than Law, and is based on Watt's premise that "Dress is Law, and Law is Dress". This is a summary of his belief that dress performs a number of functions, without which civilised society and the rule of law could not operate, and also that The Law is opaque, compromising and performs many of the functions of dress when seeking 'the truth'.
