American Board Of Radiology Moc

Maintenance of Certification (MOC) is an integral part of the quality movement in healthcare. Patients, your physician peers, and your colleagues all value MOC because it demonstrates your support for continuous quality improvement, professional development, and quality patient care. The ABR believes in the value of Maintenance of Certification. Therefore, all ABR volunteers, including governors and trustees, are required to participate in MOC.

ABR

Verify Board Certification Status Board certification is the best measure of the knowledge, experience, and skills needed to provide quality patient care. Find the certification status of a radiologist or medical physicist who is currently or previously has been certified by the ABR.
