Modified Stock Car Racing. The Modified Stock Car class proved a popular entry point to regional and national motorsport competition for drivers, many of whom would end up in top flight NASCAR teams. The class was established in the years shortly after WWII by drivers who wanted to go faster than factory built stock cars would go, the modified cars were no longer “stock”, and so the new class was created using the no nonsense name “Modified Stock Car”.

**Vintage Modified Race Cars**

A stock car, in the original sense of the term, is an automobile that has not been modified from its original factory configuration. Later the term stock car came to mean any production-based automobile used in racing. This term is used to differentiate such a car from a "race car", a special, custom-built car designed only for racing purposes.The degree to which the cars conform to standard ...
