One of gaming's most infamous instruction manuals, the booklet for *StarTropics* (1990), an action-adventure

game for the NES, features one of the most engaging and striking uses of meta in a video game (meta refers to something outside of the actual game).

The Lost Art of the Video Game Instruction Manual | The ...

Once upon a time, tearing into a new video game instruction manual was a thrill for me. Even when I had the game itself in hand, the manual held a special allure. Manuals helped me decide what to name my characters, gave me a feel for a game's controls, and provided a convenient place for me to take notes. Nowadays, manuals have lost their luster. The manuals I poured through as a kid were ...

The original web archive of game manuals - replacementdocs

Look for the Manual / Game Guide menu point in the menu; If the option does not exist in the menu, try again after you launched the game. For some games this menu point is only available if the game is active. Unfortunately many games don't offer a manual; Given the limited amount of game guides and manuals available, I think that the game industry itself is moving away from them. As many ...
