Toshiba DR430 DVD Recorder for

sale online | eBay

The Toshiba DR430 DVD Recorder is a solid DVD recorder. It records and plays all formats you'll ever need (+R, +RW, -R, -RW, and others I never came across). If you're over 40, your eyes may have a hard time with the remote, but some squinting will overcome this. This remote is like all other black remotes with gray buttons.

Manual

The Toshiba DR430 DVD recorder is a good product but please, read the instructions carefully and then read them again. After that hook up the unit and follow the instructions to get started. I found using the quick guide in the middle of the book very helpful when I started recording. A word of caution.

Product review - Walmart.com

The Toshiba DR430 DVD Recorder isn't just a simple DVD recorder. Your kids may not appreciate the comparative fuzziness of VHS images, but the movies you burn on your DVDs don't have to look that way. The DR430 can actually convert your home movies into 1080p resolution. Home movies aren't the only videos you can record either.
