This book on monkeys is a great addition to your library if you have children who like animals, are studying monkeys, or just like picture books. While this isn't a picture book only, it does have several nice photographs of real monkeys. Each page has a sentence or two on a specific species of monkey. It is a good book for younger children, I would say that my third grader could use and learn from this book, as the title suggests.

The Monkey Kingdom (Species of Monkeys) : 3rd Grade ...

This is exactly as described. A picture book of monkeys. That is it. No text, no story. It includes 25 pictures. One on each page. At the end in the Photo Credits section there is a list of each image and the source. All the images are provided for use by the individual photographers via Flickr. The author is not the photographer of the images.
