other "textual studies" people on one side, and interpreters ("literary critics" as some would still call themselves) on the other. A lot of the members of both groups are dismissive of (or flat-out hostile to) the other. Many of the things that need to be said are glaringly obvious to one side but not to the other — and this cuts both ways.

The volume's organizing theme is textual studies, the domain of which, in one contributor's words, is the "genesis, transmission, and editing of texts." The contributors seek to extend the discussion about textual studies beyond any narrow professional scope; thus,

none of the essays assumes any training in textual studies.
