There are two basic patterns writers use for comparison/contrast essays: the block method and the point-by-point method. In the block method, you describe all the similarities in the first body paragraph and then all the differences in the second body paragraph. The guideline below will help you remember what you need to do in each part of a comparison/contrast essay using the block method.

Comparison and Contrast Essay: Block Method

Letters written in block style have every line aligned at the left margin. This makes them easy to read and quickly. The standard block letter style and its variations are meant to be used as guides to help you format letters. Examples of each style and free templates are available online, each a bit different than the next.

What Is a Block Style Letter? | Bizfluent

Here is how to properly format a block letter.

Block Format Letter - YouTube

Author-Date Sample Paper. NB Sample Paper. General CMOS Guidelines. Text should be consistently double-spaced, except for block quotations, notes, bibliography entries, table titles, and figure captions. For block quotations, which are also called

extracts: A prose quotation of five or more lines, or more than 100 words, should be blocked.

General Format // Purdue Writing Lab

A typical quotation is enclosed in double quotation marks and is part of a sentence within a paragraph of your paper. However, if a quotation takes up more than five lines in your paper, you should format it as a block quotation rather than as a regular quotation within the text of a paragraph. Most of the standard rules for quotations still apply, with the following exceptions: a block quotation will begin on its own line (skip a line before and after the block quotation), it will not be ...
