Sea-Doo Utopia 205.
Acceleration is just
insane in this 430 hp
rocket. The boat was
so quick in our tests it
was difficult to
measure on the

stopwatch while it pushed us firmly back in the Utopia's well-upholstered seats. It was so much fun, we couldn't stop pressing the throttle forward again and again.

Sea-Doo Utopia 205 | Boating Magazine

She's brand new for 2002, and we'd say the designers at Sea-Doo got it right with this thrill-seeking hybrid. Out on our test run we found the acceleration to be very good, and with only one turn, lock-to-lock of the wheel, steering was quick and precise.
