Alex Rosenberg's The Atheist's Guide to Reality is a hard-nosed and unsentimental answer to "the persistent questions," the sort of questions that keep one awake at night in a state of wonder or terror. The eminent philosopher of science from Duke University unhesitatingly offers the following answers to these softs of questions: 1. Is there a God?

The Atheist's Guide to Reality: Enjoying Life without ...

Science provides all the significant truths about reality, and knowing such truths is what real understanding is all about. ... Being scientistic just means treating science as our exclusive guide to reality, to nature—both our own nature and everything else's. (pp. 7-8) A well-informed atheist, then, will endorse scientism.
