The Bissell 1698 PowerSteamer ProHeat is a great machine, but

the durability is very poor. Their engineers need to design an stronger pump/belt or whatever system it is that pumps water out of the holding tank and onto the carpet. Something this expensive should work properly for longer than ten hours...

I'm not sure why Bissell wouldn't make this piece available as a

stand-alone, but this seller provided me with a great price on the whole unit, and assembly was very simple after following one of many instructional videos online. I was also

pleased to see that on this pump, the toothed gear is metal as opposed to the original plastic. It appears to be a low-grade, brittle type of aluminum, but ...
