This guidance supports leaders through the process of returning to face-to-face Scouts activities and moving between levels as the situation changes.

Scouts

The Scouts aims to ensure that adults are able to meet a high standard in their role. However the training it provides is only one piece of the jigsaw. Whether or not the adult is using the skills learned to the required standard in practice is measured through a process called validation. Decisions can then be made as to how the adult might be managed or developed. Validation Processes and ...
