Church and state. The relationship of Christians and Christian institutions to forms of the political order has shown an extraordinary diversity throughout

church history. There have been, for example, theocratically founded monarchies, democracies, and communist communities. In various periods, however, political revolution, based on theological foundations, has also belonged to this diversity.

Christianity - Church and state | Britannica

The history of church and state The church and the Roman Empire. The attitude of the first generations of Christians toward the existing political order was determined by the imminent expectation of the kingdom of God, whose miraculous power had begun to be visibly realized in the figure of Jesus Christ. The importance of the political order was, thus, negligible, as Jesus himself asserted when he said, "My kingship is not of this world."

Christianity - The history of church and state | Britannica

Church and Community Mobilisation is the process where the local church works with its local community to identify and respond to their needs together. This is an exciting process of mobilising the community as the church begins to be 'salt and light' by encouraging and supporting communities to analyse their own situations, and to take steps to work together to make changes for the better.
