During the 1870s, many Republicans retreated from both the racial egalitarianism and the broad definition of federal power spawned by the Civil War. Southern corruption and instability, Reconstruction’s critics argued, stemmed from the exclusion of the region’s “best men”—the planters—from power. As Northern Republicans became more conservative, Reconstruction came to symbolize a misguided attempt to uplift the lower classes of society.

Reconstruction: Era and Definition | HISTORY.com - HISTORY

Characteristics and Impacts of American Reconstruction The key goals of Reconstruction were to readmit the South into the Union and to define the status of freedmen in American society. The Reconstruction era was marked by political, not violent, conflict. Some historical myths are that the South was victimized by Reconstruction, and that the various plans of Reconstruction were corrupt and unjust. Actually, the plans were quite lenient, enforcing military rule for only a short period
