Even in Grade 1, the student is already exposed to the chord/melody concept of guitar performance.A supplementary study book entitled Grade 1 Studies, two different play-along CD recordings (pop version and traditional), and a DVD are available. the companion recordings feature Tommy Flint and William Bay playing in split-track format, with the solo parts performed on the right channel, and the accompaniment or second duet parts played on the left. the student can play along with the full recording, or tune out either channel and play the missing part.
