At SNB, new tellers spend a mini- mum of 10 days in training—a com- bination of classroom sessions, videos and tutorials, and on-the-job training. They also spend time observing tellers at work. "We want new tellers to be comfortable with all the elements of the job before they are out on their own on the teller line," says Fletcher.

Elements of a Successful Teller Training Program T

A teller is the first person who represents the bank each day. To many customers, the teller is the bank, so training and retaining excellent tellers is the heart of a successful financial institution. Training programs have to include customer service skills, basic job skills and regulation and compliance information and education.
