I Don't Have Enough Faith to Be an Atheist Crossway

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the

source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This volume will be an interesting read for those skeptical about Christianity, as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith.

I Don't Have Enough Faith to Be an Atheist Curriculum
Apologia Educational Ministries

Introducing Apologia's first apologetics curriculum for high school students! Based on Norman Geisler and Frank Turek's best-selling book *I Don't Have Enough Faith to Be an Atheist*, this study will prepare teens and young adults to defend their Christian faith with boldness and effectiveness. During this course, your student will tackle the question of absolute truth, demolish the follies of postmodernism, debunk moral relativism, and march logically and surely toward the inescapable truths of the Christian faith. This is a companion study, so your student will need a copy of the original book, which is available through Apologia.

The Official Study Guide to I Don't Have Enough Faith to Be an Atheist *Xulon Press*

"This study guide is the ultimate resource to use side-by-side with *I Don't Have Enough Faith to Be an Atheist* and help the reader draw out the evidence for Christianity as well as provide practical insights on how to engage skeptics with the truth addressed in the book. The study guide is divided up into three parts that emboldens the reader to get motivated, equips the reader to be trained, and engages the reader so that they are prepared to readily respond to the objections asserted by skeptics and atheist. Dr. Norman L. Geisler has taught at the university and graduate levels for more than 50 years and has spoken and debated all over the world. He holds an MA from Wheaton College and a PhD in philosophy from Loyola University, and is presently Provost and Distinguished Professor of Apologetics at Veritas Evangelical Seminary in Murrieta, California. He is the author and coauthor of more than 70 books. Jason Jimenez has pastored families for 15 years and is founder and president of re/shift ministries, Inc. He is the author of *The Raging War of Ideas: How to Take Back Our Faith, Family, and Country* and *The Raging War of Ideas* study guide for small groups"--Back cover.

Stealing from God *Tyndale House Publishers, Inc.*

If you think atheists have reason, evidence, and science on their side, think again! Award-winning author Dr. Frank Turek (*I Don't Have Enough Faith to be an Atheist*) will show you how atheists steal reason, evidence, science, and other arguments from God in trying to make their case for atheism. If that sounds contradictory, it's because it is! Atheists can't make their case without appealing to realities only theism can explain. In an engaging and memorable way, *Stealing from God* exposes these intellectual crimes atheists are committing and then provides four powerful reasons for why Christianity is true.

Faithfully Different *Harvest House Publishers*

Welcome to Your Place in a Worldview Minority In an increasingly secular society, those who have a biblical worldview are now a shrinking minority. As mainstream culture grows more hostile toward the Bible's truths and those who embrace them, you'll face mounting pressures—from family, friends, media, academia, and government—to change and even abandon your beliefs. But these challenges also create abundant opportunities to stand strong for Christ and shine light to those hurt by the darkness of our day. In *Faithfully Different*, author and apologist Natasha Crain shares how you can live out your faith with conviction,

discernment, and courage. You'll be equipped to identify and respond to today's most significant worldview pressures, such as cancel culture, secular social justice, progressive Christianity, deconstruction, virtue signaling, and more engage effectively with a world that ridicules biblical truths defend your faith from misguided influences and live as a bold witness for the Lord As the standards of our day mutate and devolve, *Faithfully Different* will give you the insight and encouragement you need to believe, think, and live biblically no matter what you face in these turbulent times.

If God, Why Evil? *Baker Books*

Bestselling author and apologist takes on one of the most difficult questions Christians face. How can an omnipotent, loving God preside over a world filled with evil and suffering? The author's approach is concise, systematic, and clearly communicated, just what Geisler fans have grown to expect. In addition to relying on time-tested solutions to the problem of evil, the author also presents a compelling new way to think about this puzzle.

Reasons for Faith (Foreword by Lee Strobel) *Crossway*

Many Christians want to witness for their faith, but they are afraid they will not be able to answer questions that others may ask of them. First Peter 3:15 reminds believers to always be prepared to "make a defense to anyone who asks you for a reason for the hope that is in you." Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith. Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith. By covering the importance of apologetics and then applying apologetics to popular culture and theological issues, these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society.

Earthen Vessels *Bethany House*

"Popular thought-leader and blogger explores a biblical spirituality that makes our mind and body relevant"--Provided by publisher.

No God but One: Allah or Jesus? (with Bonus Content)
Zondervan

BONUS: This eBook includes downloadable videos and a Q&A with Nabeel Qureshi that are not found in the print edition. Having shared his journey of faith in the New York Times bestselling *Seeking Allah, Finding Jesus*, Nabeel Qureshi now examines Islam and Christianity in detail, exploring areas of crucial conflict and unpacking the relevant evidence. In this anticipated follow-up book, Nabeel reveals what he discovered in the decade following his conversion, providing a thorough and careful comparison of the evidence for Islam and Christianity--evidence that wrenched his heart and transformed his life. In *Seeking Allah, Finding Jesus*, Nabeel Qureshi recounted his dramatic journey, describing his departure from Islam and his decision to follow Christ. In the years that followed, he realized that the world's two largest religions are far more different than they initially appeared. *No God but One: Allah or Jesus?* addresses the most important questions at the interface of Islam and Christianity: How do the two religions differ? Are the differences significant? Can we be confident that either Christianity or Islam is true? And most important, is it worth sacrificing everything for the truth? Nabeel shares stories from his life and ministry, casts new light on current events, and explores pivotal incidents in the histories of both religions, providing a resource that is gripping and thought-provoking, respectful and challenging. Both Islam and Christianity teach that there is No God but One, but who deserves to be

worshiped, Allah or Jesus? This eBook includes the full text of the book plus bonus content not found in the softcover! Bonuses include a Q&A with Nabeel Qureshi and downloadable videos that answer important questions about Islam and Christianity. Please note that some e-reader devices do not accommodate video play. You can still access the bonus videos by copying the web address provided into an internet browser on a device or computer that accommodates video content.

Help My Unbelief *The Good Book Company*

How doubt can lead to greater faith. In this book, Barnabas Piper unpacks what faith really means. He shows how embracing doubts and questions can help us to get to know God better, and he encourages us to trust God in our everyday lives, even when we don't understand everything about him. This book will encourage Christians seeking to ask questions in a godly way and will give them confidence to trust God, even when some questions remain. This revised and updated edition includes biographical stories about Afshin Ziafat, C.S. Lewis and John Piper.

Chasing Love *B&H Publishing Group*

The music we listen to, the movies we watch—they're all telling us to keep chasing love, and that we'll finally be happy when we find it. But is love really all we need? The love that the world tells us to pursue is all about self, about following your heart's desires. But what is the Christian worldview on love? When we follow Jesus, we realize that he invites us to reorient the focus of our lives, so instead of chasing love primarily for our own happiness, we are first and foremost to give love—to God and to others. In *Chasing Love*, Sean McDowell will invite readers into Jesus' radical, upside-down approach to love, and in doing so, he'll answer some of the toughest questions we're asking about love today: How does Jesus speak to singleness? What does the gospel say about LGBTQ issues? Can sexual sin truly be forgiven? What if I'm not happy in my marriage?

Baker Encyclopedia of Christian Apologetics *Baker Academic*

This comprehensive reference volume covers every key issue, person, and concept related to Christian apologetics from Anselm to Zen.

The Physics of Christianity *Image*

A highly respected physicist demonstrates that the essential beliefs of Christianity are wholly consistent with the laws of physics. Frank Tipler takes an exciting new approach to the age-old dispute about the relationship between science and religion in *The Physics of Christianity*. In reviewing centuries of writings and discussions, Tipler realized that in all the debate about science versus religion, there was no serious scientific research into central Christian claims and beliefs. So Tipler embarked on just such a scientific inquiry. *The Physics of Christianity* presents the fascinating results of his pioneering study. Tipler begins by outlining the basic concepts of physics for the lay reader and brings to light the underlying connections between physics and theology. In a compelling example, he illustrates how the God depicted by Jews and Christians, the Uncaused First Cause, is completely consistent with the Cosmological Singularity, an entity whose existence is required by physical law. His discussion of the scientific possibility of miracles provides an impressive, credible scientific foundation for many of Christianity's most astonishing claims, including the Virgin Birth, the Resurrection, and the Incarnation. He even includes specific outlines for practical experiments that can help prove the validity of the "miracles" at

the heart of Christianity. Tipler's thoroughly rational approach and fully accessible style sets *The Physics of Christianity* apart from other books dealing with conflicts between science and religion. It will appeal not only to Christian readers, but also to anyone interested in an issue that triggers heated and divisive intellectual and cultural debates.

When Atheism Becomes Religion *Simon and Schuster*

From the New York Times bestselling author of *American Fascists* and the NBCC finalist for *War Is a Force That Gives Us Meaning* comes this timely and compelling work about new atheists: those who attack religion to advance the worst of global capitalism, intolerance and imperial projects. Chris Hedges, who graduated from seminary at Harvard Divinity School, has long been a courageous voice in a world where there are too few. He observes that there are two radical, polarized and dangerous sides to the debate on faith and religion in America: the fundamentalists who see religious faith as their prerogative, and the new atheists who brand all religious belief as irrational and dangerous. Both sides use faith to promote a radical agenda, while the religious majority, those with a commitment to tolerance and compassion as well as to their faith, are caught in the middle. The new atheists, led by Richard Dawkins, Christopher Hitchens and Sam Harris, do not make moral arguments about religion. Rather, they have created a new form of fundamentalism that attempts to permeate society with ideas about our own moral superiority and the omnipotence of human reason. *I Don't Believe in Atheists* critiques the radical mindset that rages against religion and faith. Hedges identifies the pillars of the new atheist belief system, revealing that the stringent rules and rigid traditions in place are as strict as those of any religious practice. Hedges claims that those who have placed blind faith in the morally neutral disciplines of reason and science create idols in their own image -- a sin for either side of the spectrum. He makes an impassioned, intelligent case against religious and secular fundamentalism, which seeks to divide the world into those worthy of moral and intellectual consideration and those who should be condemned, silenced and eradicated. Hedges shatters the new atheists' assault against religion in America, and in doing so, makes way for new, moderate voices to join the debate. This is a book that must be read to understand the state of the battle about faith.

I Don't Have Enough Faith to Be an Atheist

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, how

The Big Book of Christian Apologetics *Baker Books*

The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses.

The Gospel According to Matthew *Canongate U.S.*

The publication of the King James version of the Bible, translated

between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Hollywood Heroes *NavPress*

Captain America assembles the Avengers. Iron Man battles Thanos. Luke Skywalker duels Darth Vader. Aragorn charges Mordor. Batman confronts the Joker. Superman destroys Doomsday. Wonder Woman defeats Ares. We are captivated. Why? We are entranced by stories that take us to a world where heroes fight evil and sacrifice themselves for a greater good because we long for our world to be free from pain, suffering, and struggle. That's the real hope and promise of Jesus—when He returns to set things right. In *Hollywood Heroes*, you'll see how: Your favorite movie heroes are patterned after the Ultimate Hero—Jesus of Nazareth. Big screen stories parallel the real-world fight between good and evil. Movies and characters can impart inspiring biblical life lessons on justice, purpose, courage, strength, sacrifice, faith, and love. *Hollywood Heroes* begins with the true story of a US Navy SEAL who faced evil and sacrificed himself to save his teammates. Authors Frank and Zach Turek then use Spider-Man's origin story to address the question: "Why would a good God allow evil?" You'll then read how seven movie franchises—Captain America, Iron Man, Harry Potter, Star Wars, The Lord of the Rings, Batman, and Wonder Woman—portray the battle against evil, providing a set of modern-day parables that reveal truths about God and His mission for us.

The Brain That Changes Itself *Penguin*

"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat*. What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

Faith *HarperCollins Christian Publishing*

"Previously published as *The case for faith* visual edition, 2005"—T.p. verso.

Stop Asking Jesus Into Your Heart *B&H Publishing Group*

"If there were a Guinness Book of World Records entry for

'amount of times having prayed the sinner's prayer,' I'm pretty sure I'd be a top contender," says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. "Lack of assurance" is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of "asking Jesus into your heart" or "giving your life to Jesus" often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

The Unseen Realm *Lexham Press*

In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before?" Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

The Night Portrait *HarperCollins*

USA Today Bestseller "This is a truly original novel that has earned its place among my favorite works of historical fiction."--Jennifer Robson, USA Today bestselling author of *The Gown* An exciting, dual-timeline historical novel about the creation of one of Leonardo da Vinci's most famous paintings, *Portrait of a Lady with an Ermine*, and the woman who fought to save it from Nazi destruction during World War II. Milan, 1492: When a 16-year old beauty becomes the mistress of the Duke of Milan, she must fight for her place in the palace—and against those who want her out. Soon, she finds herself sitting before Leonardo da Vinci, who wants to ensure his own place in the ducal palace by painting his most ambitious portrait to date. Munich, World War II: After a modest conservator unwittingly places a priceless Italian Renaissance portrait into the hands of a high-ranking Nazi leader, she risks her life to recover it, working with an American soldier, part of the famed Monuments Men team, to get it back. Two women, separated by 500 years, are swept up in the tide of history as one painting stands at the center of their quests for their own destinies.

Chesterton's Gateway**Hopeless** *Simon and Schuster*

From the #1 New York Times bestselling author of *It Ends With Us* comes the beginning of Sky and Dean's passionate love story – where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust – and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. *Hopeless* is a novel that will leave you breathless, entranced, and remembering your own first love.

The End of Our Exploring *Moody Publishers*

Do we know what it means to question well? We need not fear questions, but by the grace of God, we have the safety and security to rush headlong into them and find ourselves better for it on the other side. Faith isn't the sort of thing that will endure as long as our eyes are closed. The opposite is the case: Faith helps us see, and that means not shrinking from the ambiguities and the difficulties that provoke our most profound questions. In our embrace of questioning, we must learn to question well. In our uncertainty, we must not give up the task of walking worthy of the calling that Christ has placed upon us. For we have not yet reached the end of our exploring. This book is written to aid you in faithfully questioning your foundations.

The Doubters' Club: Good-Faith Conversations with Skeptics, Atheists, and the Spiritually Wounded *NavPress*

The closer we get to the heart of God, the closer we should grow

toward the doubter, the skeptic, the differing perspective, even the atheist. And that should make us wonder: Is it possible to grow in our Christian faith without engaging the doubter or the skeptic? And if growing in our faith means growing closer to the doubter, how do we do that without compromising what we believe to be true? *The Doubters' Club* is a guide for people who want to live in friendship with those who think differently than them. In *The Doubters' Club*, you'll learn how to: (1) rebuild the impression the other person has of us as Christians; (2) renovate the intention we have with the nonbeliever; (3) rely on an invitation into real life (not a church service); (4) reexamine our views through initiating conversations that matter; and (5) redefine progress as imitation, not just immersion. You'll get practical steps and tools to help you navigate relationships and conversations--but not foolproof methods (because there aren't any). Maybe you're ready to take a chance because it's your mom or dad who is the skeptic, a sibling, an old friend, a coworker, or a neighbor. Maybe you're just ready to embrace the adventure of your faith. If you are open to the mystery of doubt, *The Doubters' Club* invites you to bring your uncertainties as common ground for relationship with skeptics and see what God does.

But God *Zondervan*

Herbert Cooper was headed down a very different road, living a reckless lifestyle that would have destroyed him in the end, but God had a different plan. He heard the gospel at a Fellowship of Christian Athletes meeting, at which he wasn't even supposed to be, and he gave his life to Christ. Two words changed Cooper's life: But God. These two words can change every single person's life— But God. Each word is only three letters long. The phrase is short, but the implications are huge. The path may look bleak, dim, and hopeless...but GOD changes everything... We've all sinned - whether it is sex outside of marriage, a bitter heart, alcohol or drug abuse, cheating, or lying. Maybe you're at a place in your life where it just feels like things are falling apart. Perhaps you're portraying one thing on the outside and living something else on the inside. Maybe you are simply going through the motions of a life that's not quite what you hoped it would be. These moments drag us down - leaving us feeling hopeless and lost. You need something to happen in your life to change. You need a But God... moment. The But God moments are when God comes in and offers a new path and hope for our lives. These moments occur when we are at are lowest, and turn our down-trodden worlds around for the better. It is up to us to recognize and seize these moments when they occur and follow the renewed path God offers.

The Seven Husbands of Evelyn Hugo *Simon and Schuster*

The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama.

Book of Acts in the Setting of Hellenistic History**Farewell to God** *McClelland & Stewart*

For more than twenty years, Charles Templeton was a major figure in the church in Canada and the United States. During the 1950s, he and Billy Graham were the two most successful exponents of mass evangelism in North America. Templeton spoke nightly to stadium crowds of up to thirty thousand people. However, increasing doubts about the validity of the Old Testament and the teachings of the Christian church finally

brought about a crisis in his faith and in 1957 he resigned from the ministry. In *Farewell to God*, Templeton speaks out about his reasons for the abandonment of his faith. In straightforward language, Templeton deals with such subjects as the Creation fable, racial prejudice in the Bible, the identity of Jesus of Nazareth, Jesus' alienation from his family, the second-class status of women in the church, the mystery of evil, the illusion that prayer works, why there is suffering and death, and the loss of faith in God. He concludes with a positive personal statement: "I Believe."

Keeping Your Kids on God's Side *Harvest House Publishers*

Empower Your Kids to Respond Well to the Hard Questions That Threaten Their Faith It's no secret that children of all ages are being exposed to negative criticism of Christianity as they spend time at school, with friends, or online. Are you prepared to talk with your kids about how they can effectively answer the tough questions that come their way? In *Keeping Your Kids on God's Side*, you'll find 40 of the most common challenges kids face—along with clear, easy-to-understand responses you can discuss together. This book will help you... encourage open dialogue on issues your kids might hesitate to talk about replace your children's doubts with the confidence only God's truth can give equip your kids to build the good thinking skills essential for today "I almost wish my children were young again so I could use Natasha Crain's book with them." Nancy Pearcey Bestselling author of *Total Truth*

Tactics *Zondervan*

In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. Gregory Koukl demonstrates how to get in the driver's seat, keeping any conversation moving with thoughtful, artful diplomacy. You'll learn how to maneuver comfortably and graciously through the minefields, stop challengers in their tracks, turn the tables and—most importantly—get people thinking about Jesus. Soon, your conversations will look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl shows you how to: - Initiate conversations effortlessly - Present the truth clearly, cleverly, and persuasively - Graciously and effectively expose faulty thinking - Skillfully manage the details of dialogue - Maintain an engaging, disarming style even under attack *Tactics* provides the game plan for communicating the compelling truth about Christianity with confidence and grace.

Mama Bear Apologetics *Harvest House Publishers*

Foreword written by Nancy Pearcey "Parents are the most important apologists our kids will ever know. *Mama Bear Apologetics* will help you navigate your kids' questions and prepare them to become committed Christ followers." —J. Warner Wallace "If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation." —Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? *Mama Bear Apologetics®* is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, "Mess with our kids and we will

demolish your arguments"? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

From Hollywood with Love *HarperCollins*

An in-depth celebration of the romantic comedy's modern golden era and its role in our culture, tracking the genre from its heyday in the '80s and the '90s, its unfortunate decline in the 2000s, and its explosive reemergence in the age of streaming, featuring exclusive interviews with the directors, writers, and stars of the iconic films that defined the genre. No Hollywood genre has been more misunderstood—or more unfairly under-appreciated—than the romantic comedy. Funny, charming, and reliably crowd-pleasing, rom-coms were the essential backbone of the Hollywood landscape, launching the careers of many of Hollywood's most talented actors and filmmakers, such as Julia Roberts and Matthew McConaughey, and providing many of the yet limited creative opportunities women had in Hollywood. But despite—or perhaps because of—all that, the rom-com has routinely been overlooked by the Academy Awards or snobbishly dismissed by critics. In *From Hollywood with Love*, culture writer and *GQ* contributor Scott Meslow seeks to right this wrong, celebrating and analyzing rom-coms with the appreciative, insightful critical lens they've always deserved. Beginning with the golden era of the romantic comedy—spanning from the late '80s to the mid-'00s with the breakthrough of films such as *When Harry Met Sally*—to the rise of streaming and the long-overdue push for diversity setting the course for films such as the groundbreaking, franchise-spawning *Crazy Rich Asians*, Meslow examines the evolution of the genre through its many iterations, from its establishment of new tropes, the Austen and Shakespeare rewrites, the many love triangles, and even the occasional brave decision to do away with the happily ever after. Featuring original black-and-white sketches of iconic movie scenes and exclusive interviews with the actors and filmmakers behind our most beloved rom-coms, *From Hollywood with Love* constructs oral histories of our most celebrated romantic comedies, for an informed and entertaining look at Hollywood's beloved yet most under-appreciated genre.

Village Atheists *Princeton University Press*

A compelling history of atheism in American public life A much-maligned minority throughout American history, atheists have been cast as a threat to the nation's moral fabric, barred from holding public office, and branded as irreligious misfits in a nation chosen by God. Yet village atheists—as these godless freethinkers came to be known by the close of the nineteenth century—were also hailed for their gutsy dissent from stultifying pieties and for posing a necessary secularist challenge to the entanglements of church and state. In *Village Atheists*, Leigh Eric Schmidt explores the complex cultural terrain that unbelievers have long had to navigate in their fight to secure equal rights and liberties in American public life. He rebuilds the history of American secularism from the ground up, giving flesh and blood to these outspoken infidels. *Village Atheists* demonstrates that the secularist vision for the United States proved to be anything but triumphant in a country where faith and citizenship were—and still are—closely interwoven.

When Skeptics Ask *Baker Books*

When skeptics ask tough questions, believers can turn to this helpful, user-friendly guide for thoughtful, up-to-date answers. Readers will also learn to identify and respond to the misuse of Scripture by nonbelievers and help detractors see the fullness,

beauty, and truth of Christianity.

How to Defend the Christian Faith *Pitchstone Publishing (US&CA)*

The first book on Christian apologetics written by a leading atheist figure that teaches Christians the best and worst arguments for defending their faith against attack The Christian faith has been vigorously defended with a variety of philosophical, historical, and theological arguments, but many of the arguments that worked in an earlier age no longer resonate in today's educated West. Where has apologetics gone wrong? What is the best response to the growing challenge presented by scientific discovery and naturalistic thought? Unlike every work on Christian apologetics that has come before, *How to Defend the Christian Faith* is the first one written by an atheist for Christians. As a former Christian defender who is now a leading atheist thinker, John Loftus answers these questions and more. He shows readers why Christian apologists have failed to reach the intelligent nonbeliever and offers practical advice for Christians, whether they want to better defend their faith against atheist arguments, or actively convert more individuals to Christianity.

Being as Communion *Ashgate Publishing, Ltd.*

In *Being as Communion* philosopher and mathematician William Dembski provides a non-technical overview of his work on information. Dembski attempts to make good on the promise of John Wheeler, Paul Davies, and others that information is poised to replace matter as the primary stuff of reality. With profound implications for theology and metaphysics, *Being as Communion* develops a relational ontology that is at once congenial to science and open to teleology in nature.

Person of Interest *Zondervan*

Can the truth about Jesus be uncovered--even without a body or a crime scene? Join cold-case detective and bestselling author J. Warner Wallace as he investigates Jesus using an innovative and

unique approach he employs to solve real missing person murder cases. In *Person of Interest*, Wallace carefully sifts through the evidence from history alone, without relying on the New Testament. You'll understand like never before how Jesus, the most significant person in history, changed the world. Features: Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases Marvel at the way Jesus changed the world as you investigate why Jesus still matters today Learn how to use an innovative and unique "fuse and fallout" investigative strategy that you can also use to examine other claims of history Explore and learn how to respond to common objections to Christianity Detective J. Warner Wallace listened to a pastor talk about Jesus and wondered why anyone would think Jesus was a person of interest. Wallace was skeptical of the Bible, but he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. Could the historical life and actions of Jesus be investigated in the same way? In *Person of Interest*, Wallace describes his own personal investigative journey from atheism to Christianity as he carefully considers the evidence. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament. "Wallace has an uncanny ability to discover clues where no one else sees them. Now he tackles perhaps his toughest case ever: solving a deeply personal mystery involving his own religious faith." —ROBERT DEAN, producer of NBC News Dateline "A creative and eye-opening work. You'll be captivated as Wallace takes you on a thrilling journey of discovery." —LEE STROBEL, bestselling author of *The Case for Christ* "If you read this book, you will have to reckon with Jesus, not just as a historical person but as Lord and Savior. This is not your typical apologetics book!" —ALISA CHILDERS, author of *Another Gospel* "Bring your doubts, bring your skepticism--but if you bring them in open-minded honesty . . . be prepared to render a shocking verdict." —SCOTT HANSON, host of NFL RedZone
