Manual Mg Mgf

MG MGF. The MG F is a midengine, rear

wheel drive roadster. The car was manufactured by Rover under their MG marque between 1995 and 2011. The vehicle was a 2-seat convertible that has an RMR layout. In a number of road tests the Rover Cabriolet did well and was a good match to its main rivals, the Mazda MX5 and BMW Z3 in terms of handling, performance and practicality, but it could not capture the market well because of its poor build quality and reliability.

Acquired the car in 2010, 2 previous owners who hadn't really looked after it, but the mileage was low for the year. Took it to a MG specialist who scheduled several items that needed attention which I put right over a 3 month period and then I started to enjoy it and discovered that in comparison to more modern 2 seater sports cars it could certainly hold it own and that includes the worlds ...
