The Mountain of Silence: A Search for Orthodox ...

The title, The Mountain of Silence, by Kyriacos C. Markides is an apt description of where the author wants to take us. And it does need to be considered 'a search for Orthodox Spirituality' as his work is sub-titled because Markides went to Cyprus in

search of answers to his personal questions about the Orthodox faith. If you can humbly surrender to being along for an intimate introductory tour, you will enjoy this pilgrimage to/through Orthodoxy.
