5 ways to automate your proposal process (and 4 reasons why proposals suck) First, let me give you 4 big reasons why you shouldn't waste much time on proposals, why I rarely reply to RFPs and why proposals really are a pain. 1. Many businesses send out cattle-call RFPs and get dozens of proposals back, so odds are you won't win the work (because who knows what the business will be basing their decision on) because there is almost always someone who is cheaper, has more experience, etc.
