Auto Binary Signals

Binary numbers are base 2 numbers, and have only two values - 0 and 1. If we look at a binary number like 101, then we can again assign column values as we did with our decimal number, but this time we use 2, and not 10 as the base. So binary 101 binary has 1 in the units column, 0 in the 2s column and 1 in the

4s column.
