Compact tractors have
three tire options: R-1
(Ag): R1 tires provide
the best traction in dirt
and mud. Due to the
aggressive tread ag
tires will do the most
damage to soft soils
and grass. Ag tires are
usually the narrowest
option if width is a
concern. R-4
(Industrial): R-4 or
industrial tires are the
most popular tire on
compact tractors.

Ultimate Guide To Buying The Best Compact Tractor
