The Discipline of Market Leaders

Choose Your Customers, Narrow Your Focus, Dominate Your Market *Basic Books*
Why is it that Casio can sell a calculator more cheaply than Kellogg's can sell a box of corn flakes? Why can FedEx “absolutely, positively” deliver your package overnight but airlines have trouble keeping track of your bags? What does your company do better than anyone else? What unique value do you provide to your customers? How will you increase that value next year? As customers' demands for the highest quality products, best services, and lowest prices increase daily, the rules for market leadership are changing. Once powerful companies that haven't gotten the message are faltering, while others, new and old, are thriving. In disarmingly simple and provocative terms, Treacy and Wiersema show what it takes to become a leader in your market, and stay there, in an ever more sophisticated and demanding world.

Entrepreneurial Life: The Path From Startup to Market Leader *Lulu.com*

Entrepreneurial Life tells the fascinating history of CaptiveAire, the largest commercial kitchen ventilation company in North America. From the beginning, CaptiveAire's story is not a typical one. Forged by Bob Luddy during a growing recession, with little capital, and as a newcomer to the region-his startup should not have survived, much less taken the trajectory it has had. In these pages, Luddy shares some of the values he learned as one of eight children in a "hard-scrabble, can-do" family and details his take on the type of leadership, innovation, financial management, and marketing strategy that has spurred his manufacturing company to grow at a remarkable pace over the course of forty-plus years at the helm. Entrepreneurial Life reveals Luddy's philosophy on all things entrepreneurship, character, and the skills necessary for achieving your fullest potential, no matter what your calling.
