The Boy Recession Flynn Meaney

Flynn Meaney's second novel, *The Boy Recession*, was a good YA chick-lit novel. Chick-lit isn't my usual genre, but I really liked this book. The plot was interesting, and flowed smoothly. There were a few things that bothered me about the book. I dislike when authors use the f-word more than once in a young adult novel.

The Boy Recession by Flynn Meaney -

Goodreads

As the two grow closer, the problems that come with a boy recession begin to interfere with their friendship. *The Boy Recession* is perfect for young adult and teenage readers. Meaney's writing is humorous and creative. All the characters stand out and are memorable. I can't wait to read Meaney's next book and I give this novel five out of five stars.
