Immortalis Carpe Noctem is a formulaic vampire story - vampire saves girl from dying by turning her, he shows her how to become a fledgling before they are threatened by an outside entity. Despite the inevitable predictability of the story I still found Kate Salidas' writing engaging, her characters individual, and whilst there is the obvious violence there are characters who show compassion.

Immortalis Carpe Noctem is Book 1 of the Immortalis Series by Katie Salidas. This was my first time reading Ms. Salidas work. Immortalis Carpe Noctem is a urban fantasy/paranormal romance that would appeal to many. The world is pretty well-defined and the characters likable while the premise is intriguing. It has soooooo much potential!
