Heschel understands the God of the Bible as one who is known from the experience of self, and of the world. This is a God who, "comes to people to command and console, to judge and forgive, to direct and give hope." Heschel's God is anthropopathic, that is, God has human-like feelings, and is concerned with goodness.

Religious experience, specific experience such as wonder at the infinity of the cosmos, the sense of awe and mystery in the presence of the sacred or holy, feeling of dependence on a divine power or an unseen order, the sense of guilt and anxiety accompanying belief in a divine judgment, or the feeling of peace that follows faith in divine forgiveness. Some thinkers also point to a religious aspect to the purpose of life and the destiny of the individual.

Religious experience | Britannica

For at least the past 60 years, we Americans have been steadily pushing God out of our personal and corporate life. Although Americans still claim in large numbers to be Christian, there is evil that is forcing anti-Christian laws upon us in the attempt to silence us.

America: The horrible consequences of rejecting God

In every era of history certain Christian teachings become prominent. In this age, the the image of God in humanity must be highlighted. The ongoing racial tension in the United States is a primary reason to remind ourselves of the image of God and its implications. The long history of racial injustice in this country—from race-based chattel slavery and legalized discrimination in the form of Jim Crow laws to the present mistrust between Blacks and Whites—lends itself to a more thorough ...
