Russ Rymer - Wikipedia

Genie: A Scientific Tragedy is the first book written by journalist Russ Rymer. This book explores the scientific actions taken when a thirteen year old girl was rescued after years of social isolation.

Genie: A Scientific Tragedy Summary & Study Guide

Russ Rymer documents Genie's habilitation after she is discovered, and freed from this captivity. She is more than a tragedy to some people, because she is also a scientific curiosity; she presents an opportunity to study a person who, deprived of social contact past the "critical point" in language development, never develops language skills beyond the semantic level.
