First Grade Writing Curriculum: Personal Narrative

When I teach personal narrative, students often complain that their lives are boring, that nothing substantial or worth writing about has ever happened to them. I remind these students that narrative is just another word for story and give them permission to embellish and make parts up. Students breathe a sigh of relief when I tell them this.

Mentor Texts for Middle School by Genre+Summaries and ...

While personal narratives are challenging to teach, they’re also one of my favorites because you get to see so much growth in students’ writing. It’s quite incredible, really. One way I try to help students write a personal narrative is by using mentor texts (You can see my favorite mentor texts for launching writer’s workshop here). Some lend themselves well to understanding small moments or seed ideas, while others lend themselves to writing a strong beginning, using dialogue, a ...

Mentor texts also offer a way to make a clear connection between reading and writing - and an excellent way to combine the two in our time-strapped teaching lives. Reading and writing shouldn't be two separate entities, and if you choose your texts carefully, you can teach lessons in analysis and writing all at the same time (I'll give you some specifics below).
