The law of war crimes - LSE Research Online

International treaties define much of the law of war. That law requires apprehension and trial of those committing "grave breaches." The manner of their prosecution is undefined. The research question, resolved through examination of the Son Thang incident and its subsequent prosecutions, is whether the United States, through its military justice system, meets its obligations under customary law of war.

the law of war lse monographs in international studies

The critique of the laws of war (and international law in general) coming out of America as the war on terror began seemed to have emerged as a response to the horror of 9/11 and the belief that the US was now engaged in a 'new paradigm' of warfare. However, the Bush administration's argument needs to be situated in a wider historical context.

The United States and the politics of the laws of war ...

Travers McLeod offers a detailed account of the evolution of US counterinsurgency (COIN) doctrine since 2005 in Rule of Law in War: International Law and United States Counterinsurgency in Iraq and Afghanistan.While unconvinced that the shift has fully translated into change on the ground, Marika Sosnowski welcomes McLeod’s work as a valuable documentation of the significant transformation ...
