Handbook for Treatment of Attachment-Trauma Problems in ...

The Routledge Handbook of Attachment: Implications and Interventions offers an introduction to therapies produced as a result of the popularity of attachment studies. These therapies can be divided into two categories: those that are 'attachment-based', in that they use evidence-based attachment assessments in their development, or 'attachment-informed', in that the theories of attachment have been integrated into the practice of existing schools of therapy.

The Routledge Handbook of Attachment: Implications and ...

The Handbook of Attachment Interventions meets this need by providing information on diverse patient populations across different therapeutic philosophies, while providing specific techniques for treating attachment disordered children and their families. The book begins with a discussion of how attachment disorders relate to subsequent antisocial behavior patterns and other disorders, as well as general issues parents may encounter with an attachment disordered child.
