The Storm Before the Storm

The Beginning of the End of the Roman Republic *PublicAffairs*

The creator of the award-winning podcast series The History of Rome and Revolutions brings to life the bloody battles, political machinations, and human drama that set the stage for the fall of the Roman Republic. The Roman Republic was one of the most remarkable achievements in the history of civilization. Beginning as a small city-state in central Italy, Rome gradually expanded into a wider world filled with petty tyrants, barbarian chieftains, and despotic kings. Through the centuries, Rome's model of cooperative and participatory government remained remarkably durable and unmatched in the history of the ancient world. In 146 BC, Rome finally emerged as the strongest power in the Mediterranean. But the very success of the Republic proved to be its undoing. The

republican system was unable to cope with the vast empire Rome now ruled: rising economic inequality disrupted traditional ways of life, endemic social and ethnic prejudice led to clashes over citizenship and voting rights, and rampant corruption and ruthless ambition sparked violent political clashes that cracked the once indestructible foundations of the Republic. Chronicling the years 146-78 BC, The Storm Before the Storm dives headlong into the first generation to face this treacherous new political environment. Abandoning the ancient principles of their forbearers, men like Marius, Sulla, and the Gracchi brothers set dangerous new precedents that would start the Republic on the road to destruction and provide a stark warning about what can happen to a civilization that has lost its way.

The Storm Before the Calm

America's Discord, the Crisis of the 2020s, and the Triumph Beyond *Anchor*

One of Bloomberg's Best Books of the Year The master geopolitical forecaster and New York Times bestselling author of The Next 100 Years focuses on the United States, predicting how the 2020s will bring dramatic upheaval and reshaping of American government, foreign policy, economics, and culture. In his riveting new book, noted forecaster and bestselling author George Friedman turns to the future of the United States. Examining the clear cycles through which the United States has developed, upheaved, matured, and solidified, Friedman breaks down the coming years and decades in thrilling detail. American history must be viewed in cycles--particularly, an eighty-year "institutional cycle" that has defined us (there are three such examples--the Revolutionary War/founding, the Civil War, and World War II), and a fifty-year "socio-economic cycle" that has seen the formation of the industrial classes, baby boomers, and the middle classes. These two major cycles are both converging on the late 2020s--a time in which many of these foundations will change. The United States will have to endure upheaval and possible conflict, but also, ultimately, increased strength, stability, and power in the world. Friedman's analysis is detailed and fascinating, and covers issues such as the size and scope of the federal government, the future of marriage and the social contract, shifts in corporate structures, and new cultural trends that will react to longer life expectancies. This new book is both provocative and entertaining.

Before the Storm

Barry Goldwater and the Unmaking of the American Consensus *Bold Type Books*

Acclaimed historian Rick Perlstein chronicles the rise of the conservative movement in the liberal 1960s. At the heart of the story is Barry Goldwater, the renegade Republican from Arizona who loathed federal government, despised liberals, and mocked "peaceful coexistence" with the USSR. Perlstein's narrative shines a light on a whole world of conservatives and their antagonists, including William F. Buckley, Nelson Rockefeller, and Bill Moyers. Vividly written, Before the Storm is an essential book about the 1960s.

Before the Storm *Harlequin*

Fifteen-year-old Andy Lockwood is special. Others notice the way he blurts out anything that comes into his mind, how he cannot foresee consequences, that he's more child than teenager. But his mother sees a boy with a heart as open and wide as the ocean. Laurel Lockwood lost her son once through neglect. She's spent the rest of her life determined to make up for her mistakes, and she's succeeded in becoming a committed, protective parent—maybe even overprotective. Still, she loosens her grip just enough to let Andy attend a local church social—a decision that terrifies her when the church is consumed by fire. But Andy survives...and remarkably, saves other children from the flames. Laurel watches as Andy basks in the role of unlikely hero and the world finally sees her Andy, the sweet boy she knows as well as her own heart. But when the suspicion of arson is cast upon Andy, Laurel must ask herself how well she really knows her son...and how far she'll go to keep her promise to protect him forever.

The Storm Before Atlanta *Yearling Books*

In 1863 northwestern Georgia, an unlikely alliance forms between ten-year-old New York drummer boy Jeremy, fourteen-year-old Confederate Charlie, and runaway slave Dulcie as they learn truths about the Civil War, slavery, and freedom.

1913

The Year Before the Storm

A witty yet moving narrative worked up from sketched biographical fragments, 1913 is an intimate vision of a world that is about to change forever.The stuffy conventions of the nineteenth century are receding into the past, and 1913 heralds a new age of unlimited possibility. Kafka falls in love; Louis Armstrong learns to play the trumpet; a young seamstress called Coco Chanel opens her first

boutique; Charlie Chaplin signs his first movie contract; and new drugs like cocaine usher in an age of decadence.Yet everywhere there is the premonition of ruin - the number 13 is omnipresent, and in London, Paris and Vienna, artists take the omen and act as if there were no tomorrow. In a Munich hotel lobby, Rilke and Freud discuss beauty and transience; Proust sets out in search of lost time; and while Stravinsky celebrates the Rite of Spring with industrial cacophony, an Austrian postcard painter by the name of Adolf Hitler sells his conventional cityscapes.

Before the Storm *Macmillan Publishers Aus.*

Face her demons? Or run? After being double-crossed by a devious colleague, career woman Ellie Conlan quits her job on principle. With no idea what to do next, she retreats to Storm Harbour, an idyllic Victorian beach town. Ellie's grandfather runs The Storm Harbour Chronicle, the trusted local newspaper. As Ellie is drawn into a story about a development which could split the coastal community - and involves her with the influential O'Neill family - an event she has long suppressed threatens to overwhelm her. Dark clouds gather as rumours fly and tensions mount. And when a violent storm breaks and rages, Ellie will finally have to confront her past. 'There's no denying the beauty and opulence of Morrissey's rendering of place . . . She is a master of the genre.' Weekend Australian 'a gripping, twisting yarn' Australian Women's Weekly

The Calm Before the Storm

A Night in Sleepy Hollow *ABDO*

Carter Lewis is having trouble making it through The legend of Sleepy Hollow, so his cousin Isabelle, suggests that he use his uncle's virtual reality machine to enter into the book as a character--and meet the Headless Horseman up-close and personal.

The Storm before the Calm: A Story of Heartache and Abuse *Dorrance Publishing*

Two Men Before the Storm

Arba Crane's Recollection of Dred Scott and the Supreme Court Case that Started the Civil War *Greenleaf Book Group Llc*

In the early 1850s, Arba Crane, a young Harvard Law School graduate, arrived in St Louis to begin his law career. Working alone late in the evenings, Crane forms a friendship with the office janitor, a slave named Dred Scott. As Scott recounts his life as a slave, Crane realizes that Scott has a legal claim to freedom and persuades him to file a lawsuit. Crane fights for Scott's rights for years. The case reaches the US Supreme Court before a spellbound country. But the Court's catastrophic decision in Scott v. Sandford holds that slaves are property without rights and that Congress has no power to halt the spread of slavery. While the decision marks the beginning of the path to civil war, it is not the end of Dred Scott's quest for freedom. Two Men Before the Storm is a work of fiction (with detailed historical endnotes) based on historical events: the profound friendship between a young lawyer and a slave and a fight for justice that fundamentally changed our nation.

Before the Storm (World of Warcraft)

A Novel *Del Rey*

NEW YORK TIMES BESTSELLER • An all-new, official prequel novel to The Battle for Azeroth, Blizzard Entertainment’s next expansion to the critically acclaimed World of Warcraft videogame. Azeroth is dying. The Horde and the Alliance defeated the demonic Burning Legion, but a dire catastrophe is unfolding deep below the surface of the world. There is a mortal wound in the heart of Azeroth, struck by the sword of the fallen titan Sargeras in a final act of cruelty. For Anduin Wrynn, king of Stormwind, and Sylvanas Windrunner, warchief of the Horde and queen of the Forsaken, there is little time to rebuild what remains and even less to mourn what was lost. Azeroth’s devastating wound has revealed a mysterious material known as Azerite. In the right hands, this strange golden substance is capable of incredible feats of creation; in the wrong ones, it could bring forth unthinkable destruction. As Alliance and Horde forces race to uncover the secrets of Azerite and heal the wounded world, Anduin enacts a desperate plan aimed at forging a lasting peace between the factions. Azerite jeopardizes the balance of power, and so Anduin must gain the trust of Sylvanas. But, as ever, the Dark Lady has her own machinations. For peace to be possible, generations of bloodshed and hatred must be brought to an end. But there are truths that neither side is willing to accept and ambitions they are loath to relinquish. As Alliance and Horde alike grasp for the Azerite’s power, their simmering conflict threatens to reignite all-out war—a war that would spell doom for

Azeroth. Praise for Before the Storm “This is easily the best book in the World of Warcraft series, and I don’t say that lightly. . . . It’s so much more than a tie-in novel. . . . It’s a beautiful book.”—Blizzard Watch

In Distant Lands

A Short History of the Crusades *Crux Publishing Ltd*

In the late fall of 1095 Pope Urban II gave a speech in Clermont, France and set all of Europe into motion. As many as a hundred and fifty thousand people eventually responded to the call, leaving everything they knew behind to undertake what appeared to be a fool’s mission: marching several thousand miles into enemy territory to reconquer Jerusalem for Christendom. Against all odds they succeeded, creating a Christian outpost in the heart of the Islamic world that lasted for the better part of two centuries. Perhaps no other period in history is as misunderstood as the Crusades, and in this fast-paced account, bestselling author Lars Brownworth presents the entire story, from the first clash of Christendom and Islam in the dusty sands of Yarmouk, to the fall of the last crusader state. Along the way he introduces the reader to an exotic world peopled by mighty emperors, doomed Templars, grasping generals, and ambitious peasants. Some of the most famous names of the Middle Ages - Richard the Lionheart, Saladin, Eleanor of Aquitaine, and the legendary Prester John - illuminate this era of splendor, adventure, and faith.

The Perfect Storm

A True Story of Men Against the Sea *W. W. Norton & Company*

Presents a vivid account of a history-making storm that hit the New England coast in October 1991 and the lives it changed, weaving together the history of the fishing industry, the science of storms, and personal accounts. Tour.

Seasons of the Storm *HarperCollins*

For fans of Maggie Stiefvater and Laini Taylor, a perfect storm lies ahead in this riveting fantasy duology opener from award-winning author Elle Cosimano. One cold, crisp night, Jack Sommers was faced with a choice—live forever according to the ancient, magical rules of Gaia, or die. Jack chose to live, and in exchange, he became a Winter—an immortal physical embodiment of the season on Earth. Every year, he must hunt the Season who comes before him. Summer kills Spring. Autumn kills Summer. Winter kills Autumn. And Spring kills Winter. Jack and Fleur, a Winter and a Spring, fall for each other against all odds. To be together, they’ll have to escape the cycle that’s been forcing them apart. But their creator won’t let them go without a fight.

The Storm Before the Calm

Making Sense of Life's Troubles *Abingdon Press*

In this five-week study, Davis addresses life’s turbulent, trying moments by looking at some of Scripture’s most significant “storm stories.” By turning the popular phrase, “the calm before the storm” on its head, The Storm Before the Calm presents a unique take on the significance of life’s storms—grief, job loss, relationship failures, etc.—and how faith in Christ helps us weather them. Davis’s message is clear and challenging: life’s storms prepare us for the calm that follows. Discussion questions at the end of each chapter are designed to help leaders of small groups. Also available when purchasing the book is access to a free video trailer and an audio recording of the author's sermons as another way to experience the weekly message.

The Bone and Sinew of the Land

America's Forgotten Black Pioneers and the Struggle for Equality *PublicAffairs*

The long-hidden stories of America's black pioneers, the frontier they settled, and their fight for the heart of the nation When black settlers Keziah and Charles Grier started clearing their frontier land in 1818, they couldn't know that they were part of the nation's earliest struggle for equality; they were just looking to build a better life. But within a few years, the Griers would become early Underground Railroad conductors, joining with fellow pioneers and other allies to confront the growing tyranny of bondage and injustice. The Bone and Sinew of the Land tells the Griers' story and the stories of many others like them: the lost history of the nation's first Great Migration. In building hundreds of settlements on the frontier, these black pioneers were making a stand for equality and freedom. Their new home, the Northwest Territory--the wild region that would become present-day Ohio, Illinois, Indiana, Michigan, and Wisconsin--was the first territory to ban slavery and have equal voting rights for all men. Though forgotten today, in their own time the successes of these pioneers made them the targets of racist backlash. Political and even armed battles soon ensued, tearing apart families and communities long before the Civil War. This groundbreaking work of research reveals America's forgotten frontier, where these settlers were inspired by the belief that all men are created equal and a brighter future was possible. Named one of Smithsonian's Best History Books of 2018

Storm and Silence

Freedom - that is what Lilly Linton wants most in life. Not marriage, not a brood of squalling brats, and certainly not love, thank you very much But freedom is a rare commodity in 19th-century London, where girls are expected to spend their lives sitting at home, fully occupied with looking pretty. Lilly is at her wits' end - until a chance encounter with a dark, dangerous and powerful stranger changes her life forever... Enter the world of Mr Rikkard Ambrose, where the only rule is: Knowledge is power is time is money Winner of the People's Choice Award 2015

Calm Before the Storm *Herald Press (VA)*

South Russia, 1914. The world is at war and revolution threatens. Against this backdrop of fear and danger, three young people search for hope and love. Will they find the faith to weather the coming storm? (June)

Before the Storm

A Novel of the Winter of 1812-13 *Oxford ; New York : Oxford University Press*

The family of Berndt von Vitzewitz becomes caught up in the political turmoil in Germany during the early nineteenth century

Ororo: Before the Storm *Marvel*

The back alleys of Cairo's "Thieves' Quarter" are no place for a child to grow up -- unless that child is destined to be one of the greatest Marvel heroes of all! Long before she became the X-Man known as Storm, a young orphan named Ororo Munroe prowled the streets of Cairo, a pickpocket trained by

a master thief. But when the opportunity of a lifetime arises, get ready for awesome Egyptian adventure as Ororo leads her fellow street urchins into...the tomb of Ozymandias! Plus, more tales of Storm's early days as a hero, including team-ups with Jean Grey and Spider-Man -- and her first meeting with Gambit! The Storm Before the Calm *Hay House, Inc*

Something happened in early 2011 that hasn't happened in decades, perhaps centuries-and we didn't even notice it. That is, we didn't see it for what it was. Massive unrest from Tunisia to Egypt to Libya rocked the Arab world and threw the globe into political crisis. Within days, an earthquake-tsunami-nuclear calamity of terrifying proportions shocked Japan and sent the world reeling once again, even as the globe's financial markets shuddered to sustain themselves while states and nations tottered on the brink of bankruptcy-where many still linger. All of this, of course, we did notice. What we may have missed was that ancient predictions for this period of time called for exactly this: simultaneous environmental, political, and financial disasters. Were we seeing the beginning of "the end of history"-and not picking up the signal? In his prescient new book, The Storm Before The Calm , seven-time New York Times best-selling author Neale Donald Walsch offers a startling answer: yes. But Walsch also says there is nothing to fear, advancing an extraordinary explanation for what is happening even now all over the planet. Then-and more important-he provides a stunning prescription for healing our lives and our world through the answering of seven simple questions, inviting people everywhere to join in an earth-saving exchange at TheGlobalConversation.com. Compelling and perfectly timed, The Storm Before The Calm answers every question that is worth asking about December, 2012 and beyond.

The Storm Is Upon Us

How QAnon Became a Movement, Cult, and Conspiracy Theory of Everything *Melville House*
"I hope everyone reads this book. It has become such a crucial thing for all of us to understand." —Erin Burnett, CNN "An ideal tour guide for your journey into the depths of the rabbit hole that is QAnon. It even shows you a glimmer of light at the exit." —Cullen Hoback, director of HBO's Q: Into the Storm Its messaging can seem cryptic, even nonsensical, yet for tens of thousands of people, it explains everything: What is QAnon, where did it come from, and is the Capitol insurgency a sign of where it's going next? On October 5th, 2017, President Trump made a cryptic remark in the State Dining Room at a gathering of military officials. He said it felt like “the calm before the storm”—then refused to elaborate as puzzled journalists asked him to explain. But on the infamous message boards of 4chan, a mysterious poster going by “Q Clearance Patriot,” who claimed to be in “military intelligence,” began the elaboration on their own. In the days that followed, Q's wild yarn explaining Trump's remarks began to rival the sinister intricacies of a Tom Clancy novel, while satisfying the deepest desires of MAGA-America. But did any of what Q predicted come to pass? No. Did that stop people from clinging to every word they were reading, expanding its mythology, and promoting it wider and wider? No. Why not? Who were these rapt listeners? How do they reconcile their worldview with the America they see around them? Why do their numbers keep growing? Mike Rothschild, a journalist specializing in conspiracy theories, has been collecting their stories for years, and through interviews with QAnon converts, apostates, and victims, as well as psychologists, sociologists, and academics, he is uniquely equipped to explain the movement and its followers. In The Storm Is Upon Us, he takes readers from the background conspiracies and cults that fed the Q phenomenon, to its embrace by right-wing media and Donald Trump, through the rending of families as loved ones became addicted to Q's increasingly violent rhetoric, to the storming of the Capitol, and on. And as the phenomenon shows no sign of calming despite Trump's loss of the presidency—with everyone from Baby Boomers to Millennial moms proving susceptible to its messaging—and politicians starting to openly espouse its ideology, Rothschild makes a compelling case that mocking the seeming madness of QAnon will get us nowhere. Rather, his impassioned reportage makes clear it's time to figure out what QAnon really is — because QAnon and its relentlessly dark theory of everything isn't done yet.

We Ride the Storm *Orbit*

As an empire dies, three warriors will rise. They will have to ride the storm or drown in its blood. "An exciting new author in fantasy." —Mark Lawrence, author of Red Sister Seventeen years after rebels stormed the streets, factions divide Kisia. Only the firm hand of the god-emperor holds the empire together. But when an unexpected betrayal destroys a tense alliance with neighboring Chiltæ, all that has been won comes crashing down. In Kisia, Princess Miko Ts'ai is a prisoner in her own castle. She dreams of claiming her empire, but the path to power could rip it, and her family, asunder. In Chiltæ, assassin Cassandra Marius is plagued by the voices of the dead. Desperate, she accepts a contract that promises to reward her with a cure if she helps an empire fall. And on the border between nations, Captain Rah e'Torin and his warriors are exiles forced to fight in a foreign war or die. War built the Kisian Empire. War will tear it down. We Ride the Storm is the epic launch of a bold and brutal fantasy series, perfect for readers of Mark Lawrence, John Gwynne, and Brian Staveley. Praise for The Reborn Empire: "Imaginative world building, a pace that builds perfectly to a heart-pounding finale and captivating characters. Highly recommended." —John Gwynne, author of The Faithful and the Fallen "A complex tale of war, politics, and lust for power." —The Guardian The Reborn Empire We Ride the Storm We Lie with Death For more from Devin Madson, check out: The Vengeance Trilogy The Blood of Whisperers The Gods of Vice The Grave at Storm's End

Calm Before The Storm *Dhayes Media*

Are we living under a two-tiered system of justice? Why do the wealthy and powerful escape prosecution for their crimes? Why is there so much pain and suffering in the world? Is anything being done about it? Using a combination of wit, wisdom, and gravity, an unknown intelligence insider--identified simply as "Q"--has been communicating with anonymous citizens (anons) through internet message forums since 2017. These online exchanges bear no resemblance to your typical social media conversations; there are sobering missions at stake. Q says corruption is worse than we know. It has invaded the corporate world, the media, academia, Hollywood, the church, and other parts of society. It is the cause of war, poverty, and countless problems that rob us of our potential. In this first book of the Q Chronicles series, Dave Hayes takes readers back to the intriguing first weeks of Q's mission. He explains how to understand the language of Q. He shows how Q--by asking questions using the Socratic method--prompts in-depth research of little-noticed reports, government documents, air flights, maps, media stories, and current events. With Q's help, anons were forewarned about how Jeffrey Epstein really made his money. They got inside information about President Trump's meetings with Kim Jong-un, clues to follow regarding the controversial Iran deal, and hints that the NXVIM "self-help" organization was not as advertised. It's no wonder Q has fascinated millions. The research segment of Q's mission is meant to bring about the "Great

Awakening"-- a coming era when we will unplug from the media programming machine that has been indoctrinating the world. We will learn the truth, and there will be proof to confirm our nagging suspicions. As you can imagine, there are opposing forces that would love to stop Q from revealing anything more, but Q always seems to be a few steps ahead of them. A storm is approaching that will sweep criminal power brokers into the dustbin of history. The system that enables corruption is being dismantled and replaced. So get your popcorn ready. The show is about to begin, and you have a front-row seat.

Calm Before the Storm

Crimes Against the Crown *Createspace Independent Publishing Platform*

A clean slate. People pray for one on occasion, some desperate individuals go to drastic measures to achieve one. I wasn't given the choice. I woke up in a foreign country alone, afraid and with no idea who I am. I was lucky. The reigning monarch of Cynthera and his family took me in, nursed me back to health. There's one problem, the Crown Prince, Emory Bryn. He's not what one would expect and the last thing I should be getting involved with. He has priorities too, his own restrictions. I'm off limits. No exceptions, no alternatives. Trying to discover my identity and navigate my new life is exhausting enough without adding a torrid love affair into the mix. He's a Prince and I, well; I'm a conflict of interest. Fighting our nature, choosing our duties over our desires and things turn hostile in a hurry. When memories of my previous life start to reveal themselves I'm torn between two worlds. The one I've created and come to love and the one filled with questions and hints of something terrifying. How do I keep my new family and return to the family of my birth? There's something dark buried deep in my mind, something I don't know if I can face. A darkness that threatens both my lives. Now I have a choice and it's one I never wanted to make.

Calm Before the Storm *CreateSpace*

Emily is doing everything she can to protect her two young children, including a late night bus trip to parts unknown where her ex can't find her. She just needs a little time to heal from the last physical encounter and figure out her next move. She is determined to find a way to make more of herself and provide a different life for her children that the one she had as a child. She doesn't trust men, as the only ones she has ever allowed close have crushed her spirit and body. Travis finds the holidays a reminder of everything he lost, when his wife and daughter were killed years earlier. Each year he sojourns to his cabin removed from civilization until all the craziness is over. It also gives him a chance to recharge and face another year alone. His sister not knowing of his plans has already promised the cabin to a single mother and her children. A snow storm will prevent any from making other plans, and so they must learn to coexist, but the tight quarters and long winter nights start to give way to other bigger complications for all of them.

A Sky Beyond the Storm *Penguin*

"Laia, Elias, and Helene must risk everything to defeat their foes--both human and supernatural--and prevent the coming of an otherworldly maelstrom"--

Hero of Two Worlds

The Marquis de Lafayette in the Age of Revolution *Hachette UK*

From the bestselling author of The Storm Before the Storm and host of the Revolutions podcast comes the thrilling story of the Marquis de Lafayette's lifelong quest to defend the principles of liberty and equality Few in history can match the revolutionary career of the Marquis de Lafayette. Over fifty incredible years at the heart of the Age of Revolution, he fought courageously on both sides of the Atlantic. He was a soldier, statesman, idealist, philanthropist, and abolitionist. As a teenager, Lafayette ran away from France to join the American Revolution. Returning home a national hero, he helped launch the French Revolution, eventually spending five years locked in dungeon prisons. After his release, Lafayette sparred with Napoleon, joined an underground conspiracy to overthrow King Louis XVIII, and became an international symbol of liberty. Finally, as a revered elder statesman, he was instrumental in the overthrow of the Bourbon Dynasty in the Revolution of 1830. From enthusiastic youth to world-weary old age, from the pinnacle of glory to the depths of despair, Lafayette never stopped fighting for the rights of all mankind. His remarkable life is the story of where we come from, and an inspiration to defend the ideals he held dear.

What the Storm Means: Prologue to the Gathering Storm

Prologue to the Gathering Storm *Tor Books*

The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. In the Prologue to The Gathering Storm, the first volume of the last trilogy of Robert Jordan's Wheel of Time epic, Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward--wishing he could form at least a temporary truce with the invaders---his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. As with the previous three titles in the Wheel of Time series, this prologue from Robert Jordan's The Gathering Storm, completed by Brandon Sanderson, is available for sale before the book's official release date (October 27, 2009). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Thunder Before the Storm

The Autobiography of Clyde Bellecourt

Iconic activist and AIM cofounder Clyde Bellecourt tells "the damn truth" about the American Indian Movement as he lived it.

Isaac's Storm

A Man, a Time, and the Deadliest Hurricane in History *Vintage*

Provides an account of the hurricane which struck Galveston, Texas, in 1900 and killed ten thousand people.

Orphans of the Storm *Bloomsbury Publishing USA*

From internationally bestselling author and celebrated actress Celia Imrie, an epic novel set against the backdrop of the sinking of the Titanic. Nice, France, 1911: After three years of marriage, Marcella Navratil has finally had enough. Her husband, Michael, an ambitious tailor, may have charmed her during their courtship, but their few years of marriage have revealed a cruel and controlling streak. The 21-year-old mother of two is determined to get a divorce. But while awaiting the Judges' decision on the custody of their children, Michael receives news that changes

everything. Meanwhile fun-loving New York socialite Margaret Hays is touring Europe with some friends. Restless, she resolves to head home aboard the most celebrated steamer in the world. But as the ship sets sail for America, carrying two infants bearing false names, the paths of Marcella, Michael and Margaret cross and nothing will ever be the same again. Orphans of the Storm dives into the waters of the past to unearth a sweeping, epic tale of the sinking of the Titanic that radiates with humanity and hums with life.

Voices from the Storm

The People of New Orleans on Hurricane Katrina and Its Aftermath *McSweeney's*
Hurricane Katrina inflicted damage on a scale unprecedented in American history, nearly destroying a major city and killing thousands of its citizens. With far too little help from indifferent, incompetent government agencies, the poor bore the brunt of the disaster. The residents of traditionally impoverished and minority communities suffered incalculable losses and endured unimaginable conditions. And the few facilities that did exist to help victims quickly became miserable, dangerous places. Now, the victims of Hurricane Katrina find themselves spread across the United States, far from the homes they left and faced with the prospect of starting anew. Families are struggling to secure jobs, homes, schools, and a sense of place in unfamiliar surroundings. Meanwhile, the rebuilding of their former home remains frustrating out of their hands. This bracing read brings readers to the heart of the disaster and its aftermath as those who survived it speak with candor and eloquence of their lives then and now.

Secrets She Left Behind *MIRA*
Get caught up in this fast-paced story of families and secrets from New York Times bestselling author Diane Chamberlain. One afternoon, single mother Sara Weston says that she’s going to the store—and never returns. In her absence, she leaves her teenage son alone with his damaged past and a legacy of secrets. Keith Weston nearly lost his life in an act of arson. He survived—but with devastating physical and emotional scars. Without his mother, he has no one to help him heal, no money, nothing to live for but the medications that numb his pain. Isolated and angry, his hatred has one tight focus: his half sister, Maggie Lockwood. Nineteen-year-old Maggie Lockwood spent a year in prison for the acts that led up to the fire. Now she’s back home. But her release cannot free her from the burden of guilt she carries. She grew up with Keith Weston, played with him as a child...and recently learned they share the same father. Now the person Keith despises most is the closest thing he has to family—until Sara returns. If Sara returns.... Originally published in 2009

She Who Rides the Storm *Simon and Schuster*
In this atmospheric YA fantasy that is Wicked Saints meets There Will Come a Darkness, four teens are drawn into a high-stakes heist in the perilous tomb of an ancient shapeshifter king. Long ago, shapeshifting monsters ruled the Commonwealth using blasphemous magic that fed on the souls of their subjects. Now, hundreds of years later, a new tomb has been uncovered, and despite the legends that disturbing a shapeshifter’s final resting place will wake them once again, the Warlord is determined to dig it up. But it isn’t just the Warlord who means to brave the traps and pitfalls guarding the crypt. A healer obsessed with tracking down the man who murdered her twin brother. A runaway member of the Warlord’s Devoted order, haunted by his sister’s ghost. A snotty archaeologist bent on finding the cure to his magical wasting disease. A girl desperate to escape the cloistered life she didn’t choose. All four are out to steal the same cursed sword rumored to be at the very bottom of the tomb. But of course, some treasures should never see the light of day, and some secrets are best left buried...

Before the Storm: Star Wars Legends (The Black Fleet Crisis) *Del Rey*
In the blockbuster bestselling tradition of Heir to the Empire comes this thrilling addition to the Star

Wars(r) saga, as peace gives way to a new threat... It is a time of tranquillity for the New Republic. The remnants of the Empire now lie in complete disarray, and the reemergence of the Jedi Knights has brought power and prestige to the fledgling government on Coruscant. Yesterday's Rebels have become today's administrators and diplomats, and the factions that fought against imperial tyranny seem united in savoring the fruits of peace. But the peace is short-lived. A restless Luke must journey to his mother's homeworld in a desperate and dangerous quest to find her people. An adventurous Lando must seize a mysterious spacecraft that has weapons of enormous destructive power and an unknown mission. And Leia, a living symbol of the New Republic's triumph, must face down a ruthless leader of the Duskhan League, an arrogant Yevetha who seems bent on a genocidal war that could shatter the fragile unity of the New Republic...and threaten its very survival. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Ten Caesars

Roman Emperors from Augustus to Constantine *Simon & Schuster*
Bestselling classical historian Barry Strauss delivers “an exceptionally accessible history of the Roman Empire...much of Ten Caesars reads like a script for Game of Thrones” (The Wall Street Journal)—a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors, from Augustus to Constantine. In this essential and “enlightening” (The New York Times Book Review) work, Barry Strauss tells the story of the Roman Empire from rise to reinvention, from Augustus, who founded the empire, to Constantine, who made it Christian and moved the capital east to Constantinople. During these centuries Rome gained in splendor and territory, then lost both. By the fourth century, the time of Constantine, the Roman Empire had changed so dramatically in geography, ethnicity, religion, and culture that it would have been virtually unrecognizable to Augustus. Rome’s legacy remains today in so many ways, from language, law, and architecture to the seat of the Roman Catholic Church. Strauss examines this enduring heritage through the lives of the men who shaped it: Augustus, Tiberius, Nero, Vespasian, Trajan, Hadrian, Marcus Aurelius, Septimius Severus, Diocletian, and Constantine. Over the ages, they learned to maintain the family business—the government of an empire—by adapting when necessary and always persevering no matter the cost. Ten Caesars is a “captivating narrative that breathes new life into a host of transformative figures” (Publishers Weekly). This “superb summation of four centuries of Roman history, a masterpiece of compression, confirms Barry Strauss as the foremost academic classicist writing for the general reader today” (The Wall Street Journal).

Are We Rome?

The Fall of an Empire and the Fate of America *HMH*
What went wrong in imperial Rome, and how we can avoid it: “If you want to understand where America stands in the world today, read this.” —Thomas E. Ricks The rise and fall of ancient Rome has been on American minds since the beginning of our republic. Depending on who’s doing the talking, the history of Rome serves as either a triumphal call to action—or a dire warning of imminent collapse. In this “provocative and lively” book, Cullen Murphy points out that today we focus less on the Roman Republic than on the empire that took its place, and reveals a wide array of similarities between the two societies (The New York Times). Looking at the blinkered, insular culture of our capitals; the debilitating effect of bribery in public life; the paradoxical issue of borders; and the weakening of the body politic through various forms of privatization, Murphy persuasively argues that we most resemble Rome in the burgeoning corruption of our government and in our arrogant ignorance of the world outside—two things that must be changed if we are to avoid Rome’s fate. “Are We Rome? is just about a perfect book. . . . I wish every politician would spend an evening with this book.” —James Fallows
