Bedtime For Monsters

Bedtime for Monsters.
 By Ed Vere. Do you ever wonder if somewhere, not too far away, there might be monsters? What if this monster wanted to eat you and was making his way from his home in the hills towards you in your cosy home? Watch out as he bicycles through a dark and terrible forest, crosses a gloopy, schloopy swamp, climbs cold and snowy mountains and up the stairs into your house....

Bedtime for Monsters turned out to be a very innocent and sweet book but before you get to the ending, it might be a little dark and scary to some children. The parts where they say the monster is hungry and coming to eat you up, and how he is creeping through the house, and turning the door knob to your bedroom, I feel like that might give some children nightmares.
