About SAFe Certification | Scaled Agile

Starting at its first release in 2011 already five major versions have been released while the latest

edition, version 5.0, was released in January 2020. [11] While SAFe continues to be recognised as the most common approach to scaling agile practices (at 30 percent and growing), [12] [13] [page needed] [14] , it also has received criticism for being too hierarchical and inflexible.
