Manhood is a public quality; womanhood much less so. In fact, hers is generally more private. He is assertive in this. He takes the bull by the horns and is always watchful for opportunities to express them. G. K. Chesterton understood this when he said that manhood shows itself in instances. A man takes initiative in demonstrating his character.

The Universal Qualities of a Man - Focus on the Family

Biblical manhood must include a godly view of women. Mistreatments of women such as forbidding education, sexual abuse, or denying civil rights are violations of the image-of-God principle. So, too, are attitudes that ignore meaningful

differences between the sexes or erase gender roles.
