Transitioning to a better global 'new normal' COVID-19 has changed our world. To

mark Earth Day 2020, and the global call to act on climate change, we ask: what lessons can we apply from the pandemic response to help tackle other global crises, including the climate emergency?

Transitioning to a better global 'new normal' ...

What will the transition to a new normal look like? 09 Apr 2020. Matthew Taylor. The next few months won't neatly divide into 'the crisis' and 'after the crisis'. The transition period could be very long. We need to start thinking about how to govern it democratically and transparently.

Transition to a New World Order: What we leave behind for ...

Any steps to transition towards 'a new normal' must be guided by public health principles, together with economic and societal considerations. We learn better, together. Now, more than ever, I call for solidarity between countries. It is the time to step-up and display both responsive and responsible leadership to steer us through this storm.
