The Blemished (Blemished, #1) by Sarah Dalton

I liked Sarah Dalton's previous works. I liked the blemished and the vanished. But the unleashed? I must say, not that much. The unleashed, i dont know how, makes me kinda lost interest with the series. It all begin with the appearance of Mina's mom, Anna. She suddenly comes and claimed she loves Mina very much and all. Oh she was faked alright.
