Shakespeare / Not Shakespeare *Springer*

This essay collection addresses the paradox that something may at once “be” and “not be” Shakespeare. This phenomenon can be a matter of

perception rather than authorial intention: audiences may detect Shakespeare where the author disclaims him or have difficulty finding him where he is named. Douglas Lanier's "Shakespearean rhizome," which co-opts Deleuze and Guattari's concept of artistic relations as rhizomes (a spreading, growing network that sprawls horizontally to defy hierarchies of origin and influence) is fundamental to this exploration. Essays discuss the fine line between "Shakespeare" and "not Shakespeare" through a number of critical lenses—networks and pastiches, memes and echoes, texts and paratexts, celebrities and afterlives, accidents and intertexts—and include a wide range of examples: canonical plays by Shakespeare, historical figures,

celebrities, television performances and adaptations, comics, anime appropriations, science fiction novels, blockbuster films, gangster films, Shakesploitation and teen films, foreign language films, and non-Shakespearean classic films.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses,

and the Rest of Your Life at Work

Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-

talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers'

lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

By His Stripes We Are Healed

A True Story of Faith and Healing *BalboaPress*

The author knows well of the Power above all Powers, the Strength and Love above all Loves. Indeed he knows we have a Lord of Lords, an Alpha and Omega that always was, is, and forever shall be. Wayne relays if there were anything he would desire for readers of this work, it would be that each one facing the maladies of life could be restored as God is doing for Wayne. He also sends along the knowledge he is yet as Paul stated long ago and realizes My sinful self, my only shame. Things he would recommend to others are these: never give up! Pray and praise, dance and sing, for this is what a Christian's

future holds. Agape love.

Death, Dying and Bereavement

A Hong Kong Chinese Experience *Hong Kong University Press*

Fear marks the boundary between the known and the unknown. Some Chinese people believe that talking about death will increase the likelihood of occurrence. Also, by talking about death, evil spirits will be attracted to haunt people. In facing death, individual response is inevitably moulded by the values, attitudes, and beliefs of one's culture. Despite the large Chinese emigrant population in major cities in the world, available material in English on death, dying and bereavement among Chinese people is scarce. As Hong Kong is a place where East meets West, most professionals working in the field of death, dying and bereavement adapt knowledge from the West to their practice with the Chinese population. The intention of this volume is to

consolidate and disseminate valuable practical wisdom with professionals in the local and international communities who serve Chinese patients and their family members. Both Editors are from the Department of Social Work and Social Administration, University of Hong Kong. Professor Cecilia Lai Wan Chan has done extensive research in psychosocial oncology, behavioral health, grief, loss and bereavement. Amy Yin Man Chow, an Honorary Clinical Associate in the department, is a registered social worker specialized in bereavement counselling.
