The print sells well, and the 100 numbered and signed copies are sold out within a year. Good for the artist, the publisher (if involved), the dealers and especially for the collectors. There is a lively market for art prints and if the demand for this print design is still strong, the market price would now go up.

What is an Artist Proof? - artelino

An artist's proof is, at least in theory, an impression of a print taken in the printmaking process to see the current printing state of a plate while the plate (or stone, or woodblock) is being worked on by the artist.
